INDIAN INSTITUTE OF MANAGEMENT
BANGALORE

The 2016 Asian Real Estate Society's (AsRES) Conference

Bengaluru, 13 – 15 July 2016

In 2016, globally renowned academic experts and practitioners will come together in Bengaluru at the architecturally celebrated campus of Indian Institute of Management to discuss and share their latest research and views on the global real estate market.

Paper Presentations

150+ papers drawn across topical themes

Real Estate Markets	Housing	Property Management
Urban Economics	Real Estate Finance	Urban Planning
Property Investment	Property Development	Green Buildings
Smart Cities	Affordable Housing	Big Data in Real Estate
PPP in Infrastructure Land	Technology	Land Financing
Construction Management	Regulation	Infrastructure Finance

Keynotes and Panel Discussions

Real Estate experts from academia, industry and government will discuss current issues that impact policy and practice around the world.

Optional Tours

Real estate project visits will provide an introduction to the state of the Indian Real Estate sector.

Journal Special Issues

Property Management and *International Journal of Housing Market Analysis* will carry special thematic issues based on papers presented at the conference.
