

'Policy Speaks'

A Public Policy Talk Series
presents

Dr. Alan Gelb

Senior Fellow & Director of Studies, Center for Global Development

On

Digital Identification, Privacy and Development

Dr. Alan Gelb is a senior fellow and director of studies at the Center for Global Development. His recent research includes aid and development outcomes, the transition from planned to market economies, the development applications of biometric ID technology, and the special development challenges of resource-rich countries.

He was previously director of development policy at the World Bank and Chief Economist for the bank's Africa region and staff director for the 1996 World Development Report "From Plan to Market".

Time: 10:00 A.M – 11:00 A.M.

Venue: C-23

Date: 12th November, 2018
