

# AYUSMAT 2026

4th July 2026,  
Auditorium,  
IIM, Bengaluru

*“Reimagining  
Healthcare for the  
Next Billion”  
Systems, Scale &  
Sustainability*

Hosted by the GMHE Alumni @ IIM Bangalore, AYUSMAT 2026 marks the sixth edition of India’s most forward-looking and collaborative healthcare summits.

As India expands access, the challenge is no longer individual excellence but system-wide integration: scalable, efficient and sustainable models that deliver clinical impact at scale. AYUSMAT brings together clinicians, policymakers, investors, founders and innovators to reimagine interoperable, financially viable care. Centered on the question, “How can healthcare move from fragmented excellence to coordinated system performance?”, the summit will surface bold ideas through keynote addresses, expert panels, strategic dialogues and innovation showcases.

Delegate Fee

**₹2,000**

Alumni & Students
