

## **IIM Bangalore ranks among top 50 in QS MBA Rankings 2023**

*IIM Bangalore is the only Indian management institute to be a part of the top 50 global list in the QS MBA Rankings 2023.*

The Indian Institute of Management Bangalore's two-year MBA for working professionals, the Post Graduate Programme in Enterprise Management (PGPEM), emerged as number one in India once again in the Quacquarelli Symonds (QS) Global Executive MBA Rankings 2023. In the 7th edition of the QS Executive MBA ranking, IIMB has been ranked at number 16 in the Asia-Pacific (APAC) region and number 43 globally.

IIM Bangalore Director Professor Rishiksha T Krishnan said, "At IIMB, we aim to provide the best learning experience to our students and place a great emphasis on their holistic growth. Our focus has been on developing leaders who can be enablers and change-makers of tomorrow. We are delighted with the QS EMBA Ranking which acknowledges our efforts in the career acceleration of our students on this programme."

A total of 199 global EMBA programmes were included in this year's rankings, where IIMB achieved an overall score of 63.2 out of 100 points. The methodology (performance lenses and weightings) to derive rankings included Career Outcomes, Diversity, Employer Reputation, Executive Profile, Thought-Leadership.

In this year's QS Executive MBA Ranking, Employer Reputation and Career Outcomes were the strongest categories of IIM Bangalore, with an overall score of 81.2 and 78.3, respectively.

The Postgraduate Programme in Enterprise Management (PGPEM), leading to an MBA, at IIM Bangalore, is designed for middle and senior-level working professionals. Participants learn from world-class faculty while strengthening their network through collaboration with peers and an unparalleled ecosystem.
