Speaker: Prof. Anuragini Shirish, Institute Mines-Télécom Business School, France
Senior Editor, European Journal of Information Systems

Area: Information Systems / Strategy

Date: 29.01.2026, Venue: P11 @ 11.30AM

Speaker Profile:

Anuragini Shirish is a full Professor at Institute Mines-Télécom Business School, France. She has also completed her habilitation à diriger des recherches (HDR) from Université de Strasbourg, France. Her research focuses on studying the humanistic and instrumental impacts of several socio-technical phenomena in the broad areas of digital work, digital innovation and digital society. Her research has been published in international refereed journals including the Journal of Management Information Systems (JMIS), European Journal of Information Systems (EJIS), Information Systems Journal (ISJ), Journal of the Association for Information Systems (JAIS), and Communications of the Association of the Information Systems (CAIS), among others. She currently serves as an Senior Editor at the European Journal of Information Systems (EJIS) and has also served as a mentor at Junior Faculty Consortium and Doctoral Consortium for major IS conferences. Anuragini is also actively involved in special interest groups within the AIS community. For her achievements, she has been honored with several awards including the "Outstanding Educator Award" by the Association for Information Systems (AIS) Women's Network. She was recently recognized as a Distinguished Member Cum Laude by AIS and in 2024 won the best paper award for a paper published in Journal of the Association for Information Systems (JAIS).
