

Post Graduate Programme in Management (PGP): Two-year fulltime MBA

Aditya Nishith Shah

Post Graduate Programme in Management (PGP) 2022-2024

Gold Medallist – Second Rank Holder

The achievements of Aditya Nishith Shah while pursuing his MBA at IIMB include being part of the exchange programme at HEC Paris; being a national finalist in three corporate case competitions; being the national winner in three inter-college quizzes, being the treasurer of the Student Alumni Committee, and helping create the Ayush Gupta Memorial Student Distress Fund.

While at IIMB, he was a recipient of the Directors Merit List Award, Siddharth Padam Award and the Mold Tek Scholarship.

Twenty-three year-old Aditya says that embarking on his MBA journey at IIMB has been enriching and transformative. "Being part of the Alumni Committee was a highlight, offering unparalleled opportunities to interact with the illustrious alumni of IIMB. These interactions not only broadened my network, but also enriched my understanding of the myriad paths one can navigate post-MBA."

He adds, "The rigorous academic curriculum challenged me, fostering a deep-seated resilience and an enhanced analytical mindset. Interactions with the faculty facilitated insightful discussions that bridged theoretical knowledge with real-world application. The collaborative classroom environment encouraged diverse perspectives. The beautiful campus, with its blend of modern and traditional architecture, provided a serene backdrop to our hectic academic schedules. Moreover, the extensive sporting facilities catered to a wide range of interests, promoting a healthy balance between academic pursuits and physical well-being. Overall, my MBA journey was impactful, characterized by challenging academics, engaging campus life and invaluable networking opportunities."

His future plans in the long run include working in the manufacturing sector, and contributing to the economy by way of import substitution. "I wish to be able to create tangible value, as opposed to valuations."

Aditya's parents operate a franchise retail business in the consumer durables space, which is based out of Ahmedabad. His sister is a graduate from IIT Bombay and is working.
