

Ayush Gupta

Post Graduate Programme in Management (PGP) 2017-2019

Gold Medallist – 1st Rank Holder

Ayush's achievements at IIMB include receiving the Director's Merit List Award, along with being Section Topper in Term 1 and 2 at the end of Year 1. He was also one of the few students, across IIMs in the country, to be awarded the OP Jindal Engineering and Management Scholarship. Another highlight for him was the opportunity to study at the Chicago Booth School of Business on an exchange programme.

In addition to academics, he also participated in, and contributed to, various student committees at IIMB. He was treasurer of the Student Alumni Committee and helped organize events such as Anusmaran, the alumni meet, and IIMBue, IIMBAA's annual leadership conclave.

He was also Senior Coordinator of Anveshan, IIMB's mountaineering club. A key highlight for him was to help organize a few expeditions to Mt. Everest Base Camp, which he also trekked to last year. He trekked with 8 alumni and says he realized that the bonds built between IIMB alumni remain strong both within and outside the campus.

For 25-year-old Ayush, IIMB has provided a great learning experience. "IIMB has a rigorous course structure along with case studies, projects, and classroom learning. The curriculum is unique. It covers six to seven subjects in a three-month term, with over 30 contact hours per subject. Through projects and case discussions,

one learns to collaborate and co-create – both extremely important traits for a manager. Courses at IIMB are designed to keep you engaged, and there is never a dull moment,” he exclaims.

Although his hometown is Kolkata, Ayush spent his childhood in Makati, Philippines. “Although my parents are originally from Rajasthan, my father was born in Orissa and my mother in Maharashtra. My father has his own business in Makati.”
