Healthcare Leadership Summit

# AYUSMAT 2025

General Management Programme for Healthcare Executives

## Healthcare 2030: Drivers of Disruption — Management, Machines, or Markets?

Saturday, 19th July 2025 | IIM Bangalore Auditorium

Hosted by the General Management for Healthcare Executives (GMHE) community at IIM Bangalore, AYUSMAT 2025 marks the 5th edition of one of India's most future-facing, collaborative healthcare summits.

This year's theme, "Healthcare 2030: Drivers of Disruption — Management, Machines, or Markets?", looks ahead to the transformative decade shaping the healthcare ecosystem. With artificial intelligence, digital health, shifting care models, and evolving financing structures, the time to reimagine healthcare is now.

From visionary policy leaders to deep-tech founders, clinical experts to health system CXOs, AYUSMAT 2025 brings together changemakers who are defining what's next for Indian and global healthcare.

## Why Attend?

- Discover what's going to drive the change in Healthcare 2030 — from AI and automation to decentralized delivery and patient-centric models
- Debates, keynotes, lightning panels, and startup pitches.
- Network with healthcare founders, investors, policy thinkers, and institutional leaders
- Explore live use cases and digital-first success stories
- Meet collaborators and explore funding, partnerships, and policy pathways

If you're a healthcare executive, startup innovator, policymaker, investor, or researcher, AYUSMAT 2025 is your opportunity to gain insights, grow your influence, and lead the change.

## SMartTank IIMB\*

**This year, we launch SMartTANK IIMB — a pre-conference startup pitch session that offers India's emerging health-tech and healthcare innovators a chance to shine.**

- Shortlisted startups will pitch to a jury of funders, mentors, and industry leaders
- Winner gets a chance to pitch live at the AYUSMAT Leadership Summit.
- Mentorship opportunities & collaboration
- Exposure & Inputs from healthcare CXOs and potential collaborators.

Startups working on accessibility, affordability, AI in health, sustainable delivery, patient engagement, or public health innovations are encouraged to apply.

 **Apply by 11<sup>th</sup> July, 2025**

**Submissions to: [ayusmatiimb@gmail.com](mailto:ayusmatiimb@gmail.com)**
