IMR Doctoral Conference 2019
January 4 & 5, 2019

Announcement for Delegate Registration

The Indian Institute of Management Bangalore's flagship journal *IIMB Management Review* (IMR) and the Office of the Fellow Programme in Management are organising the tenth IMR Doctoral Conference (**IMRDC 2019**) on **January 4 and 5, 2019**, at IIM Bangalore. A Pre-Conference event has been scheduled on the evening of **January 3, 2018**.

Our objective is to encourage doctoral research and facilitate collaborative work among researchers from different institutions. We aim to provide a forum where insightful feedback from senior researchers and academicians can help improve the quality and rigour of student research. The IMR Doctoral Conference (IMRDC) is a benchmark event in India's doctoral community, commended by participants for the thorough and constructive feedback provided through its 'one exclusive discussant per paper' format.

We have envisioned a two-day programme on January 4th and 5th 2019, consisting of full paper presentations by doctoral level students, keynote sessions, workshops and invited talks by noted international scholars in management research. Additionally, IMRDC 2019 has a Pre-Conference event of presentation of select research by IIMB faculty scheduled on January 3rd evening, followed by the Pre-Conference event dinner.

IMRDC 2019 is open for registration to doctoral students and faculty of management institutes/departments, as well as researchers and practitioners in affiliated fields. Details of registration are given below.
