

Post Graduate Programme in Enterprise Management (PGPEM): Two-year programme for working professionals

P Govind N Shenoy

Post Graduate Programme in Enterprise Management (PGPEM) 2022-2024

Gold Medallist – First Rank Holder

Twenty-eight year-old Govind Shenoy's achievements during his course at IIMB include attaining the first rank in Director's Merit List in the first year. Moreover, he attended a week-long event at Yale University on application of Behavioural Science in Management as well as the Collaborative Leadership – Himalayan Mountain Challenge.

Terming his learning experience at IIMB as “phenomenal”, he adds, “The quality of faculty, their expertise, the teaching style and pedagogy are all world class, and the wisdom gained will help me in my future endeavours. The interactions challenged existing perspectives and introduced new paradigms of viewing the world.”

He says in the future he plans to work with start-ups in strategic functions and in CEO's office roles. “Eventually, I plan to get into entrepreneurship. I am deeply interested in general management, strategy, scaling and growth of companies. I have previously worked in strategy functions in early and mid-stage start-ups, and I am certain that my learnings from IIMB will help me add greater value to these roles.”

Originally from Mangalore, Govind Shenoy and his family are settled in Bangalore currently. His father was an engineer, and mother is a homemaker. He has a sister.
