Two-Year Weekend

Learn as You Earn

Master of Business Administration (MBA)

Post Graduate Programme in Enterprise Management (PGPEM) 2022-24

Two-Year Weekend

The PGPEM is a two year weekend management programme which was started in 1998. Upon successful completion of the programme, participants are awarded the Master of Business Administration degree.

The PGPEM is specially designed for the high performing professionals from across industries to develop holistic management competencies as they continue working.

The PGPEM is scheduled on weekends over two years, enabling working professionals to attend, without taking a break in their careers.

The purpose of the programme is to complement the excellent functional knowledge of participants with contemporary management knowledge and prepare them for leadership roles in a changing work place and dynamic global environment.

Overview

IIMB: A paradigm shift

Established in 1973, Indian Institute of Management Bangalore (IIMB) is widely acknowledged as one of the premier management institutes in India, with an international reputation for the quality of its post graduate and doctoral programmes.

IIMB is renowned for the excellence of its faculty who have studied and taught at some of the best management schools in India and abroad. Their research regularly appears in leading global publications and academic journals. They bring rich industry, consulting and academic experience to the classroom, creating a stimulating learning environment.

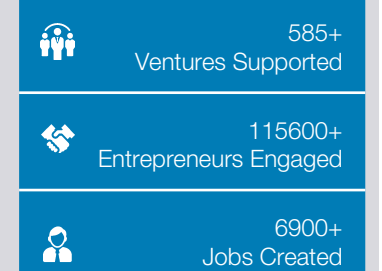

The IIMB campus, spread over close to 100 acres in south Bangalore has striking all-stone architecture, landscaped gardens and world-class infrastructure. Its location in India's high technology capital puts it in close proximity to some of the leading corporations in the country, giving students the opportunity to integrate classroom knowledge with extensive industry interaction.

IIMB's distinctive feature is its strong focus on leadership and entrepreneurial skills that are necessary to succeed in today's dynamic business environment.

VISION

To be a global, renowned academic institution fostering excellence in management, innovation and entrepreneurship for business, government and society

NSRCEL, the startup and innovation hub at IIMB has been helping early stage ventures since 2000. The ideas that NSRCEL supports have been across various stages, sectors, and scope. The startups benefit from the ecosystem of industry experts, mentors, researchers and academicians.

Global Networking

Why Bangalore is ideal for living and learning - Bangalore, one of Asia's fastest growing cosmopolitan cities, is among India's best places to live in. It has become synonymous with disruptive innovation and entrepreneurship. As the start-up hub of India, it is also a happy talent hunting ground for companies including Airbus, Amazon, Flipkart and InMobi. It is a new-age city that has retained some of its old world charm and enjoys a fabulous climate.
