About IIMB

The Indian Institute of Management Bangalore (IIMB) is a leading graduate school of management in Asia. Under the IIM Act of 2017, IIMB is an Institute of National Importance. IIMB has 107 full time faculty members, about 1200 students across various degree-granting programmes and nearly 5000 annual Executive Education participants.

Our logo carries a proclamation in Sanskrit, तेजस्वि नावधीतमस्तु (tejasvi navadhitamastu), which translates as 'let our study be enlightening'. Located in India's high technology capital, we are in close proximity to some of the leading corporate houses in the country, ranging from information technology to consumer product companies, giving us the added advantage of integrating classroom knowledge with practical experience.

We are committed to make deep social impact using technology-enabled education. Towards this end, we offer Massive Open Online Courses (MOOCs). We are the first management school in India to offer MOOCs on the edX platform. We are also the coordinating institute for management education for SWAYAM, Govt's online education platform.

We have taken several steps to meet the vision set for IIMB. These include hiring high quality faculty, enhancing the quality of research, emphasizing internationalization, expanding our activities in the field of entrepreneurship, in both research and mentoring, scaling up in terms of student intake in all the programmes, deepening our engagement with the alumni, improving infrastructure, and improving administration and governance.

We are developing our second campus in Jigani, about 27 km from the Bannerghatta Road campus. We are on an exciting trajectory of expansion and growth, and we welcome you to join us on this journey.

► Mission

Nurture innovative global business leaders, entrepreneurs, policy-makers and social change agents through holistic and transformative education

Provide thought leadership that is contextually embedded and socially relevant and makes positive impact

Pursue excellence in education and thought leadership simultaneously without making any tradeoffs

Featured Among the Leading B-Schools Globally

Post Graduate Programme in Management (PGP) and PGP Business Analytics (PGP-BA) 2022-2024

Recruitment Process at IIM Bangalore

The recruitment process at the Institute is coordinated by Career Development Services (CDS) office along with the Student Placement Committee. The Institute provides all support in terms of infrastructure and facilities needed for the recruitment process. Recruitments at IIM Bangalore take place in two phases

- The Lateral Placement Process addresses the increasing need of corporates for students with work experience. This process is limited to candidates who have at least 18 months of work experience.
- The Final Placement Process is open to all eligible students.

Pre-Placement Talks (PPTs)

PPTs provide an opportunity to students and companies to interact and exchange information. A PPT is typically of 45 minutes duration during which company representatives talk about their organization and the employment opportunities being offered. The students use this time to assess the organization and opportunities. A Q&A session also forms part of the PPT.

Students Applications

Based on the company presentation and their individual interest levels, students apply to companies. These can be on company application forms or resumes as per company requirements. The applications are forwarded to the company within a specified time frame. The companies are provided sufficient time to evaluate the applications and shortlist suitable candidates.

Shortlists

Companies are required to send shortlists to the CDS Office at least one week prior to the commencement of final placement interviews. When the companies visit the campus, they can interview the shortlisted candidates and extend job offers to selected ones.

Interview and Offer Letters

Companies can make job offers after the interviews. Students may accept or decline offers based on the placement rules. Companies are advised to maintain wait-lists in case a student declines an offer. A formal offer letter must be sent to the CDS office within two weeks of the interview date.

Student Career Support Fee

Applicable to all job offers accepted by students including Pre-Placement Offers (PPOs), Lateral Placement Offers (LPOs) and Final Placement Offers (FPOs).

Summers / Finals	Recruitment Fee (in INR) - Domestic			Recruitment Fee (in USD) - International
	Cohort 1	Cohort 2	Cohort 3	
Cluster 1		₹ 1.8 Lakhs		\$ 6500
Cluster 2	₹ 1.2 Lakhs	₹ 0.8 Lakhs	₹ 0.8 Lakhs	\$ 6500
Cluster 3 onwards		₹ 0.8 Lakhs		\$ 6500
Laterals				
First 2 weeks			₹ 1.8 Lakhs	\$ 6500
Remaining weeks			₹ 1.2 Lakhs	\$ 6500

* + applicable GST
