About IIMB	The Indian Institute of Management Bangalore (IIMB) is a leading graduate school of management in Asia. Under the IIM Act of 2017, IIMB is an Institute of National Importance.
Industry/Service	Higher Education
Designation	Digital Marketing Content Creator
Job Purpose	The Digital Marketing Content Creator will be responsible for developing, implementing, and managing content strategies across various digital platforms to enhance brand visibility, engagement, and conversion. As someone with experience in Performance-driven marketing, you will produce high-quality written, visual, and multimedia content that aligns with IIM Bangalore's marketing goals. You will work closely with all relevant stakeholders at the Institute to ensure that the marketing collateral supports the Institute's digital marketing campaigns, drives traffic and generates leads.
Job Type & Duration	Consultant for a period of one year extendable based on performance.
Principal Accountabilities & Responsibilities	 Content Creation & Management: Develop and create engaging content for the Institute's webpages, social media platforms, blogs, emails, and other digital channels. Produce high-quality written content, including articles, blog posts, programme descriptions, and copy for advertisements. Design and produce graphics, compelling ad creatives, videos, landing pages and other multimedia collateral as required. Ensure all content is optimized for SEO and follows best practices. Identify and leverage real-time trends and cultural moments relevant to the brand.
	 Social Media Strategy: Conceptualize, create, and schedule social media posts across platforms such as Facebook, Instagram, Twitter, and LinkedIn to enhance brand visibility and engagement. Engage with followers and respond to comments, messages, and mentions in real-time. Drive personalization and leverage UGC to foster brand relatability and build community. Track key growth metrics and KPIs, and present actionable insights to senior stakeholders to inform decision-making and strategy adjustments.
	 Campaign Collaboration: Pitch ideas, design content, manage and execute multi-channel campaigns (SEM, social media, display ads, etc.), for bespoke campaigns, ensuring optimal performance and ROI. Facilitate content promotion, including influencer outreach, paid campaigns, and organic growth strategies. Conduct competitor and market analysis to identify content opportunities and gaps. Track the performance metrics and iterate content strategies as needed. Analyze campaign and content performance using tools like Google Analytics, social media dashboards, and other digital marketing tools. Prepare and present reports on content performance, identifying opportunities for optimization, exploration and expansion.
	 Brand Consistency: Ensure all content assets reflect a cohesive and consistent brand voice, identity, tone, and values across all digital touchpoints. Develop, manage and streamline category-specific social properties through an iterative content calendar that aligns with marketing initiatives and programme launches and timelines.
	 Collaboration & Communication: Collaborate with internal teams, including web designers and videographers, to produce visually appealing and technically sound content.
