

Narayan Sunil

Post Graduate Programme in Management (PGP) 2018-2020

Gold Medallist - 1st Rank Holder

Narayan's achievements while pursuing the programme include the gold medal for football in Sangharsh 2018. He was also the tutor for Decision Sciences 1 and Corporate Finance, was in the Placement Facilitation Team 2019, and performed for Dhvani 2018-20.

Regarding his IIMB learning experience, Narayan says in the past two years, he learnt that IIMB as an institution combines the inputs needed for effective learning such as faculty and administration, in an environment with a rich peer group. "I can confidently say that the institute leaves no stone unturned in providing a platform for motivated students to become future leaders".

His future plans and dreams, as he gained admission in IIMB with no work experience, is focussed on furthering his career in consulting with the objective of discovering an area he is passionate about. He is inclined towards academia, at least in the long run.

The 22-year-old hails from Kerala, but has spent the majority of his childhood in Vadodara and in Gurgaon. His mother is a post graduate in Economics and a former school teacher. His father is a mechanical engineer employed as the Unit Head of Apollo Tyres Ltd. He has an elder sibling who is pursuing her Master's in Business Analytics in the USA.

He was the recipient of the OPJEMS scholarship 2019, and feels honored for the same. "In addition to the recognition, the scholarship, for me, would represent the honor of the highest academic achievement, from the institution that has played a pivotal role in my all-round development."
