Management (PGP) 2018-2020

# About IIMB

**The Indian Institute of Management Bangalore (IIMB)** is a leading graduate school of management in Asia. Under the IIM Act of 2017, IIMB is an Institute of National Importance.

IIMB has 105 full time faculty members, about 1200 students across various degree-granting programmes and nearly 5000 annual Executive Education participants.

Our logo carries a proclamation in Sanskrit, तेजस्वि नावधीतमस्तु (tejasvi navadhitamastu), which translates as 'let our study be enlightening'. Our vision is to be a global, renowned academic institution fostering excellence in management, innovation and entrepreneurship for business, government and society.

Located in India's high technology capital, we are in close proximity to some of the leading corporate houses in the country, ranging from information technology to consumer product companies, giving us the added advantage of integrating classroom knowledge with practical experience.

Our degree granting programmes comprise the Doctor of Philosophy (Ph.D.), the Master of Management Studies (Public Policy), the Master of Business Administration – one-year fulltime, the Master of Business Administration – two years (weekend), the Master of Business Administration – two years fulltime, and the Master of Business Administration (Business Analytics) – two years fulltime.

We offer the NS Ramaswamy Pre-doctoral (NSR Pre-doc) Fellowship, as a Certificate programme, with the aim to increase social diversity of management academia in India.

Along with 11 disciplinary areas, we have ten centres of excellence that offer courses and conduct research on interesting questions facing various sectors of industry.

We have key partnerships and collaborations with Goldman Sachs for women entrepreneurship, with Michael and Susan Dell Foundation for incubation of non-profits, and with NITI Aayog for scaling up of new ventures.

We are committed to make deep social impact using technology-enabled education. Towards this end, we offer Massive Open Online Courses (MOOCs). We are the first management school in India to offer MOOCs on

the edX platform. We are also the coordinating institute for management education for SWAYAM, Gol's online education platform.

We have taken several steps to meet the vision set for IIMB. These include hiring high quality faculty, enhancing the quality of research, emphasizing internationalization, expanding our activities in the field of entrepreneurship, in both research and mentoring, scaling up in terms of student intake in all the programmes, deepening our engagement with the alumni, improving infrastructure, and improving administration and governance.

We have been accredited by the EFMD Quality Improvement System (EQUIS) for period of five years in 2016. EQUIS is a global school accreditation system run by the European Foundation for Management Development (EFMD) that specializes in higher education institutions of management and business administration. The five-year accreditation, highest that EQUIS confers, is a testimony to the fact that the evaluating team was confident about our ability to sustain efforts undertaken to achieve excellent standards in education, internationalization and research.

We have a vibrant Student Exchange Programme with several partner universities across North America, Europe, Asia, Australia, and South America.

We have deep engagements with international networks, such as the Global Network for Advanced Management, which includes 30 eminent business schools around the world, and the Partnership in International Management (PIM), a consortium of more than 60 leading international business schools around the world.

We are developing our second campus in Jigani, about 27 km from the Bannerghatta Road campus. We are on an exciting trajectory of expansion and growth, and we welcome you to join us on this journey.

## VISION

To be a global, renowned academic institution fostering excellence in management, innovation and entrepreneurship for business, government and society

#1 in India, under Management category

Among the Top 50 Global Executive Education Programmes in FT 2019 Rankings for EEP

In the Top 35 Global MBA schools, EPGP at IIMB takes the highest spot amongst all IIMs in the FT Global MBA Ranking 2019

Among the Top 50 Masters in Management Programmes in FT's 2019, 2018 and 2017 Rankings for PGP

In the 2020 QS Global Ranking, IIMB retains the #1 position in India in the MiM (Masters in Management – Two-year MBA) category

IIMB's One-Year MBA – the EPGP – rises magnificently from 71 in 2019 to 44 in the 2020 Global MBA QS Ranking

QS Global Ranking 2018 PGPEM is ranked #1 in India

Among the Top 25 Masters in Management for PGP

Among the Top 65 EMBA for PGPEM

IIMB is Central Asia's #1 Business School in the Eduniversal 2019 Rankings – for the 11th consecutive year

IIMB is the only Indian management school in the Global Network for Advanced Management, a Yale-initiated network of 30 top-notch global B-schools

Accredited since 2010

# Post Graduate Programme in Management (PGP) 2018-2020

## • Recruitment Process at IIM Bangalore

The recruitment process at the Institute is coordinated by Career Development Services (CDS) office along with the Student Placement Committee. The Institute provides all support in terms of infrastructure and facilities needed for the recruitment process. Recruitments at IIM Bangalore take place in two phases

- The Lateral Placement Process addresses the increasing need of corporates for students with work experience. This process is limited to candidates who have at least 18 months of work experience.
- The Final Placement Process is open to all eligible students.

## • Pre-Placement Talks (PPTs)

PPTs provide an opportunity to students and companies to interact and exchange information. A PPT is typically of 45 minutes duration during which company representatives talk about their organization and the employment opportunities being offered. The students use this time to assess the organization and opportunities. A Q&A session also forms part of the PPT.

## • Students Applications

Based on the company presentation and their individual interest levels, students apply to companies. These can be on company application forms or resumes as per company requirements. The applications are forwarded to the company within a specified time frame. The companies are provided sufficient time to evaluate the applications and shortlist suitable candidates.

## • Shortlists

Companies are required to send shortlists to the CDS Office at least one week prior to the commencement of final placement interviews. When the companies visit the campus, they can interview the shortlisted candidates and extend job offers to selected ones.

## • Interview and Offer Letters

Companies can make job offers after the interviews. Students may accept or decline offers based on the placement rules. Companies are advised to maintain wait-lists in case a student declines an offer. A formal offer letter must be sent to the CDS office within two weeks of the interview date.

## • Student Career Support Fee

Applicable to all job offers accepted by students including Pre-Placement Offers (PPOs), Lateral Placement Offers (LPOs) and Final Placement Offers (FPOs).
