About IIMB

The Indian Institute of Management Bangalore (IIMB) is a leading graduate school of management in Asia. Under the IIM Act of 2017, IIMB is an Institute of National Importance. IIMB has 107 full time faculty members, about 1200 students across various degree-granting programmes and nearly 5000 annual Executive Education participants.

Our logo carries a proclamation in Sanskrit, तेजस्वि नावधीतमस्तु (tejasvi navadhitamastu), which translates as 'let our study be enlightening'. Located in India's high technology capital, we are in close proximity to some of the leading corporate houses in the country, ranging from information technology to consumer product companies, giving us the added advantage of integrating classroom knowledge with practical experience.

We are committed to make deep social impact using technology-enabled education. Towards this end, we offer Massive Open Online Courses (MOOCs). We are the first management school in India to offer MOOCs on the edX platform. We are also the coordinating institute for management education for SWAYAM, Govt's online education platform.

We have taken several steps to meet the vision set for IIMB. These include hiring high quality faculty, enhancing the quality of research, emphasizing internationalization, expanding our activities in the field of entrepreneurship, in both research and mentoring, scaling up in terms of student intake in all the programmes, deepening our engagement with the alumni, improving infrastructure, and improving administration and governance.

We are developing our second campus in Jigani, about 27 km from the Bannerghatta Road campus. We are on an exciting trajectory of expansion and growth, and we welcome you to join us on this journey.

► Mission

Nurture innovative global business leaders, entrepreneurs, policy-makers and social change agents through holistic and transformative education

Provide thought leadership that is contextually embedded and socially relevant and makes positive impact

Pursue excellence in education and thought leadership simultaneously without making any tradeoffs

Post Graduate Programme in Management (PGP) and PGP Business Analytics (PGP-BA) 2023-2025

Summer Internship Recruitment Process at IIM Bangalore

The Post Graduate Programme (PGP) and PGP-Business Analytics (PGP-BA) curriculum at IIM Bangalore requires all students to undertake a summer project for a minimum duration of 8 weeks on completing their first year course work. Students with more than 34 months of prior work experience have the option of opting out of the Summer Internship Placement Process (SIPP) by formally signing out of the process. Successful completion of the Summer Internship is an essential requirement for graduation from the PGP Programme at IIM Bangalore.

The Summer Internship recruitment process at the Institute is coordinated by Career Development Services Office along with a Student Placement Committee. The Institute provides all support in terms of infrastructure and facilities needed for the recruitment process.

Pre-Placement Talks (PPTs)

PPTs provide an opportunity to students and companies to interact and exchange information. A PPT is typically of 45 minutes duration during which company representatives talk about their organization. The students use this time to assess the organization and internship opportunities. A Q&A session also forms part of the PPT.

Students Applications

Based on the company presentation and their individual interest levels, students apply to companies. These can be on company application forms or resumes as per company requirements. The applications are forwarded to the company within a specified time frame. The companies are provided sufficient time to evaluate the applications and shortlist suitable candidates.

Shortlists

Companies are required to send shortlists to the Placement Committee at least one week prior to the commencement of Summer Internship Placement Interviews. When the companies visit the campus, they can interview the shortlisted candidates and extend internship offers to selected ones.

Interview and Offer Letters

Companies can make summer internship offers after the interviews. A formal offer letter must be sent to the CDS office within a week of the interview date.

Summer Internship Dates

Summer Internship recruitment dates - **6th November 2023 to 11th November 2023**. For the academic year 2023-25 the students will be interning with companies between 1st April 2024 to 31st May 2024 for a minimum duration of 8 weeks.

Summer Internship Evaluation Report (SIER)

Since the internship is a part of PGP Curriculum the company is required to provide student evaluation and feedback on a prescribed form provided by IIMB. Completed form should reach the CDS office by the prescribed deadline.

Student Career Support Fee

We encourage organizations to make Pre-Placement Offers (PPOs) to the student at the end of Summer Internship process. As per IIMB Placement Policy all PPOs remain valid till the respective company's slot during Lateral/Final Placement. When the PPOs are accepted by the student as his/her final placement offer and the student joins the organization, a recruitment fee, as detailed below, will be charged to the concerned organization:

Recruitment Fee (in INR) - Domestic				Recruitment Fee (in USD) - International
Summers / Finals	Cohort 1	Cohort 2	Cohort 3	
Cluster 1		₹ 1.8 Lakhs		\$ 6500
Cluster 2	₹ 1.2 Lakhs	₹ 0.8 Lakhs	₹ 0.8 Lakhs	\$ 6500
Cluster 3 onwards		₹ 0.8 Lakhs		\$ 6500
Laterals				
First 2 weeks		₹ 1.8 Lakhs		\$ 6500
Remaining weeks		₹ 1.2 Lakhs		\$ 6500

* + applicable GST
