

## **PREVENTIVE MEASURES**

- Thermal screening at main gate for all entering into campus.
- Declaration to be filled by all visitors coming into campus regarding travel history, contact with individuals with cough/cold/fever/sore throat.
- Providing sanitizer and mask to all staff, and ensure hand hygiene and wearing mask.
- Mandatory social distancing practices at all levels.
- Screening symptomatic cases and referring them to authorized hospitals for further screening/diagnostic tests.
- Setting up quarantine rooms in the hostel for self-quarantine of staff/students.
- Arrangements for all essential staff to stay on campus during lockdown period.
- Telephonic counseling services by institute counselors for those who require the same.
- Minimizing contact with people, encouraging online meetings wherever possible.
- Thermal screening of all essential staff living in the campus, at regular intervals.
