

Piyush Kabra

Post Graduate Programme in Management (PGP) 2019-2021

Gold Medallist – 1st Rank Holder

Piyush Kabra (24) has been awarded the Director's Merit List award, Section Topper, for Term I and II. He was also awarded the Siddharth Padma Scholarship for best grades across economics, finance and accounting, along with Mold-Tek Scholarship for being among the top two students in the first year.

He believes the holistic learning experience at IIMB has polished both his individual as well as team working skills. "The learning programme at IIMB will definitely stay with me and help me at every stage of my career. Additionally, the extraordinary people I met here made the learning process active and enjoyable."

About his future plans, he says: "At present, I aim to gain cross-sectoral experience through the consulting world which will help me build the expertise required. In the long term, I see myself moving to the social sector to contribute my bit. I have always been passionate about the education sector and will look to improve the reach and quality of education in India".

Piyush hails from Jaipur, Rajasthan and has spent his childhood there. His father is a businessman who deals with mechanical equipment while his mother is a home maker. His younger sister is pursuing CA.
