

Priyank Dedhia

Post Graduate Programme in Management (PGP) 2020-2022

Gold Medallist – Second Rank Holder

Twenty-five-year-old Priyank Dedhia is a Chartered Accountant and has cleared all three levels of CFA. Before joining IIM Bangalore, he worked as a Senior Analyst at Deutsche Bank in their Investment Banking division.

“I was part of the Entrepreneurship and Innovation Club (ENI) and PE-VC Society. A great learning experience was launching a student start-up platform in collaboration with ENI and NSRCEL. The sponsorship vertical at Eximius, one of the largest business fests, also helped me develop good industry connections. The international exposure as an exchange student at Copenhagen Business School, Denmark, was enriching with gave me access to diverse subjects like ESG: Accounting & Reporting, and Neuromarketing.”

Since he comes from a business family background, Priyank’s future goal is to set up a business of his own. “Ed-tech and Consumer Retail are the sectors I am keen on.”
