**Post Graduate Programme in Management (PGP)**

**Gold Medallist – Second Rank Holder**

Twenty-two year-old Ritvik Sandip Saraf holds a degree in Applied Statistics & Analytics from NMIMS, Mumbai. While at IIMB, Ritvik secured a perfect grade of 4.0 in 11 out of 31 courses and Grade A in all 31 courses, resulting in a cumulative GPA of 3.87. He has also achieved significant success in business and finance case competitions. He has won or secured podium finishes in four national case competitions, in addition to being shortlisted as a national finalist in multiple others. He also served as a Junior Placement Representative.

Ritvik finished the first year as a section topper for all three terms, featuring in the Director's Merit List. He was also awarded the Mold-Tek Scholarship and the IIMB Merit Scholarship.

Reflecting on his IIMB journey, Ritvik says, "The experience has been transformative. The rigorous curriculum consistently challenged my analytical abilities. The expertise of faculty and their engaging teaching methods made every class enriching. Engaging with a highly intellectual cohort broadened my perspective. Beyond academics, the world-class sports infrastructure enabled me to maintain a well-rounded life. The constant exposure to vibrant events on campus fostered teamwork, leadership and a truly enjoyable experience.

Sharing his future plans, he says that he is passionate about Finance, Technology and Supply Chain and wishes to leverage them to drive meaningful impact in the B2B space. He aspires to eventually lead a conglomerate in a sunrise industry, and truly make a difference to the society.

Ritvik grew up in Mumbai in a business family. His parents own a firm in the IT & Cloud Solutions space. His elder brother is a B-school graduate and has joined the family business.
