

Dear Amshrutha Rudresh,

Thank you for your support and engagement with this year's *Make a Difference Week*! We had a record-breaking year thanks to you and all of our event hosts around the world. I'm very happy to share the results of this year's Week, including your organization's contribution!

Your event, Green Society and Student Initiative- under the aegis of SAKSHAM - IIM Bangalore, was one of 24 events that took place in Asia. Your event hosted 1250 of the 8339 volunteers who participated in MADW2025 globally.

Your event completed 5000 of the 33214 person-hours of work that were completed during MADW2025. Your event planted 150 of the 69551 plants that were planted globally. 33642 kilograms of invasive species were removed from ecosystems. 48077 kilograms of litter were collected from ecosystems around the world. Your event was one of 33 Revegetation events that took place this year.

We deeply appreciate your contribution to *MADW 2025*! You can find the results of this year's Week, as well as the results from past years on our website at: makeadifferenceweek.org.
