Pre-bid Meeting			Date: 27.02.2026 Time: 15.30 hours Venue: Estate Office	

CAUTION NOTICE:

The Tender Inviting Authority (TIA), Indian Institute of Management Bangalore does not solicit or demand any money, fees, commission, gratification, or consideration of any kind from bidders or prospective bidders in connection with this tender.

Bidders are hereby cautioned that any person claiming to act on behalf of the TIA or the Institute and seeking money or any other benefit in relation to this tender is doing so fraudulently.

In the event of any such fraudulent communication, call, email, or solicitation, bidders are advised to immediately report the matter to the Tender Inviting Authority at the details mentioned below:

Email id: vasudeva.m@iimb.ac.in; shivakumar.k@iimb.ac.in

Telephone: 080-26993580/3600

The TIA shall not be responsible for any loss or damage suffered by bidders due to dealings with unauthorised or fraudulent persons.

I. INSTRUCTIONS TO BIDDERS:

I.1. Bid Validity: 120 days from the date of opening of Online Bids.

I.2. The nature of the tender is Two Bid System i.e. Technical Bid and Price Bid. The rates are to be quoted only in the Online Closed Price Bid.

I.3. Period of Contract: Period of Contract is **Sixty Days**.

I.4. Downloading the Tender: The procedure for downloading the Tender Document and Price Bid is mentioned in this document.

I.5. Submission of Tender: Tender Document and Price Bid shall be submitted online only, in CPP Portal.

I.6. Defects Liability Period: TWELVE MONTHS from the date of completion of the work.

I.7. Downloading and Uploading of Tender Document:

The bidders may download and upload the Tender Document through the below mentioned website during the period mentioned above.

(a) Central Public Procurement Portal (CPP Portal):

<https://eprocure.gov.in/eprocure/app>

(Technical Bid and Price Bid can be downloaded and uploaded)

I.8. A) Notice Inviting Tender, any corrigenda issued, minutes of the Pre-Bid Meeting form part of the Tender Document.

B) The bidder should check for any of the above uploaded in CPP Portal before submission of the Tender (Technical and Price bid). If the bidder submits the tender before the due date, he should be regularly checking the portal for any of the above uploaded and keep a hard copy with him for submission with seal and sign in case asked by IIMB. If the revised price bid is uploaded, the bidder should download the Price Bid again, quote the rates referring to the revised price bid and upload the same again.

C) In case any bidder does not upload the revised price bid, the old price bid uploaded by him will not be considered and his tender gets rejected even though he is qualified in the Technical Bid.

I.9. Any information / clarifications required by the Bidder can be obtained from the Estate Section, IIMB during working hours on any working days till the date of submission of Tender Document OR by writing to the email ids given in this document OR at the time of pre-bid meeting.

I.10. PRE-BID MEETING:

I.10.A. Pre-Bid Meeting will be conducted before submission of the Tender. The bidders may send the clarifications to the email ids mentioned in this Tender Document and/or may attend the meeting in person. The pre-bid meeting will be conducted either offline or online as per the decision of the competent authority of IIMB. The intimation regarding the details of the pre-bid meeting will be provided in the CPP Portal.

I.10.B. Minutes of the Pre-Bid Meeting will be uploaded on CPP Portal. Minutes of the Pre-Bid Meeting forms part of the Tender. The bidder must go through the minutes of the Pre-Bid Meeting before submission of the Tender.

I.11. Conditional tenders are liable for rejection.

I.12. This being an item rate Contract, the rate quoted shall remain firm.

I.13. ELIGIBILITY CRITERIA:

Stage 1 Evaluation –

I.13.A. Financial Eligibility: Average annual financial turnover for the last three financial years should be Rs.10,00,000/-. Audited balance sheet and audited profit and loss account in support of the three years' financial status shall be submitted.

In case any bidder submits the annual turnover documents for less than three years, i.e. 2 years only, the total of these two years will be divided by 3 and the average value arrived at will be considered as the average annual turnover of three years.

If the average annual turnover is less than the required turnover mentioned above, the tender stands rejected at this stage only and will not be further evaluated for technical qualification.

If a bidder qualifies in Stage 1 evaluation, the documents submitted by such bidder will be evaluated further.

Stage 2 Evaluation –

I.13.B. Technical Experience: The bidder should have completed either one / two / three similar works during the last seven years, for the values mentioned below.

Any one work for the value of Rs. 11,32,000/- excluding GST.

Any two works for the value of Rs. 7,10,000/- excluding GST.

Any three works for the value of Rs. 5,70,000/- excluding GST.

The bidder shall submit the proof of work done with any of the organizations mentioned below.

In Central or State Govt. / Central or State Govt. Autonomous Bodies / Central or State PSUs / Central or State PWD / MES / Railways / Institutes of higher learning equivalent to IIMB / Any Reputed Private Organization.

Note: Proof of work done means - Work Orders and Work Completion Certificate should be attached as proof of work done. In case the Work Completion Certificates are not

issued, proof of payment received from the client shall be submitted – highlighting the related payment.

Bidder Qualification: The bidder is considered as qualified in the Technical Bid subject to satisfaction of the above parameters.

I.13.C. GST Registration Certificate: The bidder shall submit the GST Registration Certificate.

I.13.D. The bidder shall have Registered Office based in Bangalore. Documentary proof shall be submitted.

I.13.E. Site Visit: Site Visit of the bidder is mandatory. The bidder shall visit the site for understanding the requirements before quoting the rates in the Price Bid.

The bidder shall visit the site by obtaining permission from the Chief Manager (Infrastructure). The bidder shall obtain the SITE VISIT CERTIFICATE from IIMB after visiting the site. The bidder shall submit the copy of the Site Visit Certificate in CPP Portal while submitting the bid.

NOTE: If the bidder submits the tender without the site visit, such tender shall be summarily rejected.

I.13.F. Declaration regarding non-blacklisting:

Bidders should not have been carrying any adverse remarks in IIMB or other similar report from any authority.

Bidders who are debarred/ blacklisted by any Central / State Government organization / DGS&D / NCCF / Kendriya Bhandar / PSU during the last three years are not allowed to participate in the tender. In case the bidder is found to be debarred or blacklisted at any point of time during the evaluation period, tender of such bidder will become null and void and he will be declared as not qualified for opening of price bid.

The bidder shall submit a declaration in his office letterhead regarding non-blacklisting.

I.13.G. Litigation Details:

Bidder should provide information regarding any current litigation in case the bidder is involved. The details shall be submitted on the letterhead. If the bidder is not involved in any litigation, he shall type 'NO LITIGATION' on the letterhead and submit with seal and sign.

I.14. Bidder Participation Conditions:

a) In the event of the tender being submitted by a partnership bidder, the tender must be signed separately and legibly by each partner or member of the bidder, above their full names and current addresses, or, in their absence, the tender must be signed by a person holding Power of Attorney on behalf of the bidder concerned. In the latter case, a copy of the power of attorney duly attested by a Gazetted Officer must accompany the tender. Certified true copy (attested only by Gazetted Officer) of the partnership deed, full names and current addresses of all the partners of the bidder

must be enclosed along with the tender submitted by the partnership bidder. The Partnership Deed must have been entered into before the date of notification.

b) If the application is made by a limited company or a limited Corporation, it shall be signed by duly authorized person holding the power of attorney which power of attorney shall accompany the application. Such limited company or corporation will be required to furnish satisfactory evidence of its existence before the contract is awarded.

c) If the application is made by a group of bidders, it shall be accompanied by a legal document signed by all parties to the joint venture/consortium considering therein a clear and a definite manner the proposed administrative arrangements for the management and execution of contract, the delineation of duties, responsibilities and scope of work to be undertaken by each such party, the authorized representative of the joint venture and an undertaking that the several parties are jointly and severally liable to the employer for the performance of the contract together with the details of experience and past performance of each of the parties to the joint venture on works of a similar nature within the past three years, current works on hand and other contractual commitments. Proof of the Registration of the Joint Venture shall also accompany this Tender, failing which the tender will be rejected by the accepting authority.

d) In the case of joint ventures, the projects executed by them after the registration of the joint venture will only be considered for Technical Evaluation.

e) Wherever the bidder is a joint venture of two or more bidders, a statement signed by all parties to the joint venture, of the proposed administrative arrangements for the management and execution the contract, the duties, responsibilities and scope of work to be undertaken by each party, the authorized representative of the joint venture, and an undertaking that the several parties are jointly and severally liable to the Employer for the performance of the contract.

f) Partnership or a limited company or corporation or a joint venture or a Consortium should have been in existence before the date of advertising this tender.

g) The bidder applying as a company or a joint venture or any other agency/organization/Consortium should have similar work experience in its own name.

h) MOUs after the shall not be considered.

I.15. EARNEST MONEY DEPOSIT:

I.15.A. The bidder shall submit the EMD through online transfer to IIMB.

For online submission of EMD, the bidder shall pay the amount through RTGS/NEFT. The bank details of IIMB for online transfer:

Bank Name	: HDFC Bank Ltd
Bank Street Address	: J.P. NAGAR BRANCH, BANGALORE
Branch Code	: 0133
IFSC CODE	: HDFC 0000133
Customer HDFC Bank a/c name	: Indian Institute of Management
Customer HDFC Bank a/c number	: 0133145000019

Note: The proof of payment including name of the bank, amount of EMD, date of transfer, UTR No. shall be submitted along with the Tender in CPP Portal (in the field provided for uploading the EMD details).

I.15.B. Exemption from paying the EMD:

Earnest Money Deposit is compulsory for all the bidders including State Government / Statutory Bodies / Enterprises / Undertakings / MSME etc.

Bidders may note the fact that their registrations with any authority do not entitle them to exemption from payment of EMD.

I.15.C. NO INTEREST WILL BE PAID ON EMD DEPOSIT.

I.15.D. Any tender not accompanied by an acceptable Earnest Money Deposit and/or not secured in the payment modes as indicated above shall be rejected by the IIMB as non-responsive.

I.15.E. Forfeiture of EMD:

The Earnest Money Deposit shall be forfeited -

a) if the bidder withdraws from the Tender after tender opening during the period of tender validity

b) if the bidder deliberately provides false information / documents.

c) in the case of a successful bidder, if the bidder fails within the specified time limit to:

- i) sign the Agreement within 15 days of issue of work order or
- ii) commence the work within the prescribed time or
- iii) produce the required documents to IIMB mentioned in this document or as requested by IIMB

c) in case, the bidder, after quoting, withdraws from the tender or refuses/delays in commencing the work even after issue of work order,

I.15.F. BANK DETAILS OF THE BIDDER:

The bidders are required to submit the bank details along with the Technical Bid. The bank details are required to be filled in and submitted in IIMB letterhead, duly attested by the authorised person of IIMB and the banker. The bank details should be accompanied by a cancelled cheque duly attested by the banker. **(The format of the Bidder Bank Detail Form has been given in this document vide Proforma – B).**

I.15.G. RETURN OF EMD:

Unsuccessful Bidders:

(a) Bidders not qualified in the Technical Evaluation – EMD will be returned after approval of Technical Evaluation.

(b) Bidders who are unsuccessful in e-bidding – EMD will be returned within 30 days after issue of work order to the successful bidder.

Successful Bidder:

EMD will be returned within 30 days after the submission of Performance Bank Guarantee @ 5% of the value of the contract.

I.16. Lien in respect of Claim in other Contracts

Any Sum of money due and payable to the Contractor (including the security deposit refundable to him) under the contract may be withheld or retained by way of lien by IIMB in respect of payment of a Sum of money arising out of or under any other contract made by the Contractor with the IIMB. It is an agreed term of the contract that the sum of money so withheld or retained under this clause by the IIMB will be kept withheld or retained as such by the IIMB or till his claim arising out of the same contract or any other contract is either mutually settled or determined by the arbitration clause or by the competent court, as the case may be and that the Contractor shall have no claim for interest or damages whatsoever on this account or any other ground in respect of any sum of money withheld or retained under this clause and duly notified as such to the Contractor.

I.17. SUBMISSION OF BIDS:

The bidders should upload the soft copies of the supporting documents online in CPP Portal.

I.17.A. Submission of EMD:

The details of payment of EMD shall be uploaded in CPP Portal which are as under:

- (i) UTR Number of the payment transaction
- (ii) Bank Name, Date of transfer and amount of EMD paid

I.17.B. Submission of Technical Bids:

The following documents shall be signed with seal and scanned copies shall be uploaded in the CPP Portal.

- Documentary proof of Annual Turnover for the previous 3 financial years
- Supporting documents – copies with seal and sign on every page
- Proformas – printed on Letterhead with seal and sign
- Copy of the Site Visit Certificate issued by IIMB

I.17.C. Note: If these documents are not submitted, the bidder cannot complete the process of submission in the portal and his tender will be automatically treated as non-responsive and rejected.

I.17.D. Note: If any discrepancy is found in the documents submitted / if all the required documents are not submitted / if the documents are submitted in any other format, the prescribed authority may either ask for the documents or reject the tender. The decision is at the discretion of the employer.

I.18. In case of any discrepancy/ ambiguity regarding any detailing found in the tender documents, the bidder shall send all his queries / request for clarifications. The queries should be sent only till the submission of the Technical Bid and at the time of the Prebid

meeting. Queries / Request received after the opening of the Technical Bid and/or other than the Pre-Bid Meeting will not be entertained.

I.19. If the bidder does not have any query / request for clarification, it will be understood that he has gone through all the relevant clauses, and he is satisfied. No claims or misinterpretation of words will be entertained after the award of work.

I.20. The rates quoted shall be for execution of finished items of works as indicated in the Bill of Quantities, which include cost of all materials, consumables, labours, plants, equipment, machineries, transportation of materials to site, loading, unloading, testing of materials and works, samples for testing, all taxes, Octroi, cost of incidental charges on tools / plants, cost of labour, bidder's overheads, profit etc. to complete the item as per stipulated specifications & description in Bill of Quantities.

I.21. The Employer/Engineer may, at his discretion, extend the last date of submission of the Tender by amending the Tender Documents in which case all rights and obligations of the Employer and the Bidder previously subject to the original date shall thereafter be subject to the new deadline as extended.

I.22. IIMB does not undertake to assign reason for rejecting any particular tender. The accepting authority also reserves the right to accept in full, or a part thereof or reject the tender or to divide the tender among more than one Bidders if deemed necessary without assigning any reason.

I.23. OPENING OF BIDS:

The Technical Bids will be opened as under:

I.23.A. The Technical bids will be opened on the date and time mentioned in this document. Then the bids submitted will be evaluated for technical qualification.

I.23.B. The technical evaluation will be carried out for the criteria mentioned under Eligibility Criteria in this document and the Technical Specifications of each bidder and the bidder who qualifies in the basic criteria as well as Technical Specifications will be declared as qualified in the Technical Bid.

I.23.C. The Price Bids of the bidders who qualify in the Technical Bid will be opened.

I.24. REJECTION OF TENDERS:

I.24.A. If any alternations are made by the bidder in the Tender Documents, the Tender will be liable for rejection.

I.24.B. Any tender which proposes any alterations to any of the conditions laid down or proposes any other conditions of any description whatsoever is liable to be rejected.

I.24.C. The bidders are cautioned that not giving complete information called for in the application or not giving it in clear terms or making any changes in prescribed forms or deliberately suppressing the information may result in the application being summarily disqualified / rejected.

I.24.D. The tenders submitted without furnishing the relevant information asked for, are summarily rejected.

I.24.E. If the bidder deliberately gives wrong information or creates conditions favourable for acceptance of his tender, the accepting officer reserves the right to reject such tender at any stage and forfeit the earnest money. The accepting officer shall be at liberty to foreclose the contract without prejudice to any other remedies that may be available to IIMB under the contract, even after the acceptance of the tender.

I.24.F. Conditional and un-witnessed tenders, tenders containing freak rates and amounts, tenders which are incomplete or otherwise considered defective and tenders not in accordance with the tender conditions laid down by the Accepting Officer are liable to be rejected.

I.25. Acceptance of Tender

I.25.A. IIMB may accept the Tender wholly or in part or reject any tender without assigning any reason whatsoever and may not accept the lowest or any tender. The Bidder shall not demand any explanation for the rejection of his tender. Acceptance of tender will be communicated by a formal acceptance letter (by registered post) directly to the Bidder.

I.25.B. The Successful Bidder shall execute the Contract with proper coordination with IIMB continuously during the period of contract.

I.25.C. The address of the Contractor as given in the agreement will be deemed their business address and all correspondence sent to that address by IIMB shall be deemed delivered to the Contractors in the ordinary course by post.

I.26. AWARD OF WORK:

The work will be awarded to the bidder who has quoted the lowest amount including GST in the online Price Bid.

The accepting officer reserves the right to place order as a whole or part of any item only as deemed fit.

The successful bidder will be requested to sign the work order prepared based on the quoted amount, placed on him by the accepting officer.

II. GENERAL CONDITIONS OF CONTRACT

II.1. TIME IS THE ESSENCE OF THE CONTRACT.

II.3. Payment: In consideration of the work done under this Agreement, IIMB agrees to pay the Contractor on the basis of work completed at the time of submission of RA bill during that period. The Contractor shall be responsible for payment of all applicable Taxes on the works contract.

II.3.A. The contractor shall promptly raise an invoice to IIMB on the completion of work as per the Tender terms before the 10th day of the month, for the works completed in the previous month.

II.3.B. The contractor should take the entry seal from the Entry Gate Security. Two DC along with Invoice with seal and sign on security. In the absence of the same, such invoices will not be considered.

II.3.C. The bill should be accompanied by the statement and photos of the progress of work, the required documents, measurement sheets of the work done duly signed with seal on every page and countersigned by the Engineer in-charge and the Consultant (if appointed) and other necessary documents.

II.3.D. The bill will be checked, certified and sent to Accounts Section for processing the same for payment.

II.3.E. The payment will be made online to the bank details provided by the contractor, within thirty (30) working days after submission of the undisputed invoice (RA Bill).

II.3.F. To ensure uninterrupted payment of bills, the contractor should update his bank details, the business details regarding the changes if any.

II.3.G. On receipt of the Final payments, the Contractor shall furnish a "No Demand Certificate" to IIMB in the format prescribed by or acceptable to IIMB.

II.4. Contract Termination:

II.4.A. Termination: If the Contractor fails to perform the work set out in this Agreement within the stipulated period of time or carry out the work to the satisfaction of IIMB, IIMB shall terminate the Agreement as a whole or a part thereof at the risk and cost of the Contractor, without prior notice.

II.4.B. Consequence of Termination: In the event of termination of this Agreement, the parties agree to promptly fully deliver all the deliverables applicable conceived, created or developed prior to the date of termination.

In case of termination due to the material breach of the terms of this Agreement by the Contractor, IIMB shall get the balance work executed through a third party and recover from the Contractor all the additional costs incurred by and damage caused to IIMB in procuring such services from any other third party.

II.4.C. In case any of the information furnished by the Bidder is found to be false or any adverse points come to light subsequent to the Agreement, IIMB, at its discretion, may choose to terminate the Contract, at any time. The decision of IIMB in this regard shall be final and binding.

II.4.D. Termination of Contract for Death:

Without prejudice to any of the rights or remedies under this contract, if the Bidder dies or attains legal disability, the Accepting Officer shall have the option of terminating the contract without any compensation to the Bidder. IIMB shall have the right to get the work completed by itself, or through any other contractors or agency at the cost and risk of the contractors or his successors in interest.

II.4.E. Termination for Insolvency:

IIMB may at any time terminate the Contract by giving written notice to the Supplier, if the Supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to IIMB.

II.4.F. Termination for Convenience:

IIMB, by written notice sent to the contractor, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for IIMB's convenience, the extent to which performance of the contractor under the Contract is terminated, and the date upon which such termination becomes effective.

II.5. Arbitration:

Except where otherwise provided for in the contract, all question and disputes relating to the meaning of the specifications, designs, and instruction herein before mentioned and as to quality of workmanship or materials used on the work or as to any other question, claim, right matter or thing whatsoever in any way arising out of or relating to the contract, designs, specifications, estimates, instructions, orders or the conditions or otherwise concerning the works, or the execution or failure to execute the same whether arising during the progress of the work or after the completion or abandonment thereof shall be referred to the sole arbitration of the Director if the Director is unable or unwilling to act, to the sole arbitration of some other person appointed by the Director willing to act as such arbitrator. The arbitrator to whom the matter is originally referred being transferred or vacating his Office or being unable to act for any reason such Director / aforesaid at the time of such transfer, vacation of Office or inability to act, shall appoint another person to act as arbitrator in accordance with the terms of the contract. Such person shall be entitled to proceed with the reference from the stage at which it was left by his predecessor.

II.5.A. Subject to as aforesaid the provision of the Arbitration & Conciliation Act , 1996 (as amended) or any statutory modification or re-enactment thereof and the rules made thereunder and for the time being in force shall apply to the arbitration proceedings under this Clause.

II.5.B. It is a term of the contract that the party involving in arbitration shall specify the dispute or dispute to be referred to arbitration under the Clause together with the amount or amounts claimed in respect of each dispute.

II.5.C. The arbitrator(s) may from time to time with consent of the parties enlarge the time for making and publishing the award.

II.5.D. The work under the contract shall, if reasonably possible, continue during the arbitration proceedings and no payment due or payable to the Bidder shall be withheld on account of such proceedings.

II.5.E. The arbitrator shall be deemed to have entered on the reference on the date he issues notice to both parties / fixing date of the first hearing.

II.5.F. The arbitrator shall give a separate award in respect of each dispute or difference referred to him.

II.5.G. The venue of arbitrator shall be a place as may be fixed by the arbitrator in his sole discretion.

II.5.H. The award of the arbitrator shall be final, conclusive and binding on both the parties to this contract.

II.6. Performance Bank Guarantee:

II.6.A. The bidder shall furnish Performance Bank Guarantee (PBG) at seven point five percent (7.5%) of the value of the contract.

II.6.B. The PBG should be issued by any Scheduled Bank.

II.6.C. **The PBG should be valid up to the completion of defects liability period plus two months.**

II.6.D. The PBG should be submitted in ORIGINAL.

II.6.E. The original PBG will be returned to the bidder after completion of the validity period, on submission of the Request Letter by the bidder.

II.7. Confidentiality:

a) Confidential Information:

All designs, specifications, estimates, BOQs, technical data, site information, reports, correspondence, and any other documents or information provided by IIMB in connection with the Tender and execution of the Works shall be treated as confidential ("Confidential Information").

Such information shall remain the exclusive property of IIMB and shall not be used for any purpose other than for submission of the Tender and execution of the Works under the Contract.

b) Non-Disclosure Obligation

The Contractor shall:

- Maintain strict confidentiality of all Confidential Information
- Not disclose the same to any third party without prior written approval of IIMB
- Ensure that its employees, engineers, consultants, subcontractors, and agents are bound by similar confidentiality obligations

- Not publish photographs, project details, or site information in any media, website, or promotional material without prior written consent of IIMB.

c) Restricted Use

The Contractor shall not:

- Copy, reproduce, or retain documents except as necessary for execution of the Works
- Use project information for any other project or commercial purpose
- Share cost data, tender rates, or institutional information with competitors or external agencies

d) Return of Documents

Upon completion or termination of the Contract, or upon demand by IIMB, the Contractor shall return all documents, and other materials and shall not retain copies thereof, except as required by law.

e) Statutory Disclosure

If disclosure is required by law or by order of a court or statutory authority, the Contractor shall give prior written notice to IIMB (to the extent legally permissible).

f) Survival

This Clause shall survive completion, termination, or expiry of the Contract.

II.8. During the defects liability period / maintenance period, the bidder shall be responsible to make good, free of cost, all defects or damages which occur due to defective workmanship / use of substandard materials. If the bidder fails to make good such defects or damages even after intimation to him within a reasonable time, IIMB shall get the same rectified as deemed fit at the contractors' risk and cost, and PBG submitted by the contractor shall be encashed by IIMB.

II.9. Several documents forming the contract are to be taken as mutually explanatory to one another.

II.10. However, the Engineer-in-charge shall be the sole deciding authority with regard to the intention of the document and his decision in this respect shall be final and binding to the Bidder.

II.11. The bidder shall not increase his quoted rates if the accepting officer negotiates for the reduction of rates. Such negotiations shall not amount to cancellation or withdrawal of the original offer and the rates originally quoted shall be valid for a period of 120 days from the date of opening of the Financial Bid.

II.12. Canvassing in any form in connection with the tenders is strictly prohibited and the tenders submitted by the bidders who resort to canvassing will be liable to be rejected.

II.13. Whenever the Engineer-in-charge of the work feels it necessary and advises the bidder for production of bills for any materials whatsoever procured / purchased by the bidder for use and incorporation in the work, the bidder shall produce such bills in proof of such purchase / procurement from bonafide dealers/manufacturers. Such a demand for production of bills can be made by the Engineer-in-charge even after use and incorporation of such materials in the work, after clearance by the Engineer-in-charge for the quality of the materials. In the event of such a demand by the Engineer-in-charge for production of bills, the bidder shall not use and incorporate such materials in

the work without prior clearance in writing from the Engineer-in-charge. In case, the bidder fails to produce the bills or uses / incorporates the materials in the work against which bills are advised to be produced, without prior clearance of Engineer-in-charge, no payment against any work under the contract executed by the bidder shall be made.

II.14. The bidder must obtain for himself on his own responsibility and at his own expenses all the information which may be necessary for the purpose of making a tender and for entering into contract and must examine the entire tender document, inspect the site of the work and acquaint himself with all the information about scope and specifications of the work to be done, all his obligations under the contract, local, hydrological and climatic conditions, local and statutory/ Govt. rules and regulations, all other local conditions, means of access to the work, security requirements, restrictions in entry to the Project site, conditions of site of work, nature of the work and all matters pertaining thereto.

II.15. Access to the site will be given during the tender period by appointment on application to the authority issuing the tender. The bidder shall ascertain the location, size and condition of the areas available for his use as working areas and all other information affecting this tender.

II.16. IIMB shall not be responsible and shall not reimburse any expenses which may be incurred, or losses to person or property suffered by any bidder in connection with visits and examination of the site and in the preparation of his tender for submission.

II.17. The bidders must note that information, if any, as regards to the site and local conditions, as contained in these tender documents has been given merely to assist the bidders and is not deemed to be complete.

II.18. The bidders should note and bear in mind that IIMB shall bear no responsibility for the lack of acquaintance of the site and other conditions or any information relating thereto, on its part. The consequences of the lack of any knowledge, as aforesaid, on the part of the bidders shall be at their risk and cost and no charges or claims whatsoever consequent upon the lack of any information, knowledge or understanding shall be entertained or payable by IIMB either during tender stage or during the construction period.

II.19. All information supporting the tender shall be in English and all entries are to be typewritten. There shall be no over-writing or erasure. All corrections should be attested by the bidder with his dated initials as many times as the corrections occur.

II.20. The rates to be quoted in tender shall be given in Indian Rupees.

II.21. The successful bidder to whom the Work Order will be issued by IIMB, shall have to enter into an Agreement with IIMB - within 10 days of receipt of Work Order and bear all the expenses which he may be required to incur for the above.

II.22. Any error in description, quantity or rate in Bill of Quantities or any omission therefrom shall not vitiate the contract nor release the bidder from the execution of the whole or any part of the works comprised therein in respect of rates, specifications or from any of his obligations under the contract.

II.23. If the tendered rate of any item(s) against which no rate /amount /empty /not applicable /blank /not quoted is entered by the bidder, such tender shall be liable to be summarily rejected.

II.24. In the event of a tender being submitted by a partnership firm, the tender must be signed separately and legibly by each partner or member of the firm, or, in their absence a person holding Power of Attorney on behalf of the firm concerned. In the latter case, a copy of the power of attorney duly attested by a Gazetted Officer must accompany the tender and certified true copy (attested only by Gazetted Officer) of the partnership deed must be enclosed along with the tender submitted by the partnership firm.

II.25. On acceptance of the tender, the name of the accredited representative of the bidder who would be responsible for taking instructions from the Engineer-in-Charge shall be communicated by the bidder.

II.26. While quoting their rates, the bidders are advised to take into account all factors of any fluctuations in the market rates, etc. No claims will be entertained on this account after acceptance of the tender or during the currency of the contract. Item rate tender containing percentage below / above will be summarily rejected.

II.27. Before Bidding, the bidders are advised to inspect the site of work and its environments and be well acquainted with the actual working and other prevalent conditions, position of materials and labour, specifications and all other documents which form part of the agreement to be entered into.

II.28. IIMB reserves absolute right to appropriate, deduct, set-off or retain/withhold any amount payable to the bidder under any head of account including earnest money under this contract or any other contract or any other transactions against any sum, which in the opinion of IIMB is due to IIMB under any contract, deal or transaction whatsoever.

II.29. All compensations or other sums of money payable by the bidder under the terms of this contract may be deducted / recovered / adjusted from his security deposit or from any sum which may be due to or become due to bidder by Institute or any accounts whatsoever.

II.30. Final Measurement:

The final measurement must invariably be proceeded by a thorough re-measurement of the whole of the work performed which will be made by IIMB's authorized representative at which the Bidder or his accredited agent must be present. Should he not attend to this, the measurements will proceed without him, and he will be precluded from making any protest.

II.31. The Bidder shall work in coordination with the departmental staff of IIMB for the execution of the work.

II.32. Bids shall be deemed to be under consideration immediately after they are opened and until the official intimation of award of contract is made by IIMB to the successful Bidder. If necessary, IIMB will obtain clarification on the offers by requesting such information from any or all the Bidders, in writing as may be considered necessary,

from time to time. Bidder will not be permitted to change the subject matter of their offer after the Tenders have been opened.

II.33. Under no circumstances will a father and his sons or other close relations who have business dealing with one another be allowed to tender for the same Contract as separate competitors. A breach of this condition will render both the parties disqualified from Bidding for the Contract.

II.34. If the bidder desires to entrust his affairs to any person, a power of attorney duly authenticated by a Magistrate / Notary / Court / Judge in favour of such person, shall be submitted to IIMB, acceptance of which shall be at the discretion of the Accepting Officer.

II.35. The bidder shall make all arrangements for execution of the agreement at his own cost, using IIMB standard format on appropriate stamp paper and execute the same within 15 days from acceptance of Tender. Value of the stamp paper will be informed in the Work Order issued to the successful bidder.

II.36. IIMB will employ other contractors or agencies to execute various other parallel activities relating to the work. The successful Bidder or bidder for this contract shall work in close co-ordination with any other bidder, sub-bidder or agencies engaged by IIMB at site.

II.37. This Tender notice shall form part of the Contract Document and must be returned, duly signed along with the Tender Proposal.

II.38. All notices, communications reference and complaints under this contract shall be made by sending email ids mentioned in this document.

II.39. The Bidder shall comply with the provisions of the Child Labour (Prohibition and Regulation) Act, 1986.

II.40. Force Majeure:

If, at any time during the currency of the contract, the performance of any obligation (in whole or in part) by IIMB or the Bidder shall be prevented or delayed by reason of any war, hostilities, invasion, acts of public or foreign enemies, rebellion, revolution, insurrection, civil commotion, sabotage, large scale arson, floods, earth quake or any other act of God, large scale epidemics, nuclear accidents, any other catastrophic unforeseeable circumstances, quarantine restrictions, any statutory, rules, regulations, order or requisitions issued by a Government department or competent authority (hereinafter referred to as "event") then, provided notice of the happening of such an event is given by either party to the other within 21 days of the occurrence thereof.

a) Neither party by reason of such event be entitled to terminate the contract or have claim for damages against the other in respect of such non-performance or delay in performance, if not covered under insurance.

b) The obligations under the contract shall be resumed as soon as practicable after the event has come to an end or ceased to exit.

c) In case of doubt or dispute, whether a particular occurrence should be considered an "event" as defined under this, clause the decision of the Engineer shall be final and binding.

d) If the bidder is foreclosed under this clause, the Bidder shall be paid fully for the work done under the contract, but not for any defective work or work done which has been destroyed or damaged before its measurement. The Engineer shall have the option to take over any plant and material lying at site, at rates provided for in the contract, failing that, as per rates which are determined to be fair and reasonable by the Engineer.

If no notice is issued by either party regarding the event within 21 days of occurrence, the said event shall be deemed not to have occurred and the contract will continue to have effect as such.

II.41. Liquidated Damages For Delay In Execution:

If the Bidder fails to complete the Work and clear the site on or before the time stipulated in the Contract or within any extended date/period of completion granted by IIMB, the Bidder shall, without prejudice to any other rights or remedies available to IIMB under the Contract, be liable to pay **Liquidated Damages (LD)** at the rate of **0.5% (zero point five percent) per week of delay** on the value of the unfinished/balance work, subject to a maximum of **10% (ten percent) of the Work Order value**.

The Liquidated Damages shall be recoverable by IIMB by way of deduction or set-off from any sums due or which may become due to the Bidder under this Contract or under any other contract with IIMB.

If the Bidder completes the balance/shortfall work within the stipulated time or the extended period approved by IIMB, and such delay is regularized without levy of LD, the Bidder may submit a written request for refund of LD recovered. Any such refund shall be subject to the approval of the Competent Authority of IIMB and shall not be claimed as a matter of right.

II.42. Cancellation Of Contract For Bidder Default:

If the Bidder:

a) Makes default in commencing the work within a reasonable time from date of handing over of the site and continues in the state after a reasonable notice from ENGINEER IN-CHARGE.

b) In the opinion of the Engineer-in-Charge at any time, whether before or after the date or extended date for completion, makes default in proceeding with the work, with due diligence and continues in that state after a reasonable notice from Engineer-in-Charge.

c) Fails to comply with any of the terms and conditions of the contract before or after reasonable notice in writing, orders properly issued thereunder, or

d) Fails to complete the work, work order and items of work with individual dates for completion and clear the site on or before the date of completion.

The Accepting Officer may, without prejudice to any other right or remedy which shall have accrued or shall accrue thereafter to IIMB cancel the contract as a whole or in part thereof or only such work order or items of work in default from the contract. Whenever the Accepting Officer exercises his authority to cancel the contract as a whole or in part under this condition, he may get completed the work at the Contractors risk and cost, provided always that in the event of the cost, of completion (as certified by Engineer-in-Charge which is final and conclusive) being less than the contract cost, the advantage shall accrue to the IIMB. If the cost of completion exceeds the money due to the Bidder under this contract, the Bidder shall either pay the excess amount ordered by Engineer-in-Charge or the same shall be recovered from the Bidder by other means.

In case IIMB completes the work or any part thereof under provisions of this condition the cost of such completion to be taken into account for determining the excess cost to be charged to the Bidder under this condition, it shall consist of the cost of materials purchased / and / or labour provided by IIMB which on addition of such percentage to cover superintendence and establishment charges as may be decided by the Engineer-in-Charge whose decision shall be final and conclusive.

II.43. Foreclosure Of Contract For Administrative Reasons:

IIMB reserves the right to terminate the contract at any time after acceptance of the tender if IIMB decide to abandon or reduce the scope of work for any reason whatsoever and hence not required the whole or any part of the works to be carried out, the Engineer-in-Charge shall give notice in writing to that effect to the Contractors. The compensation, if any payable for such foreclosure of work will be discussed mutually between IIMB and Bidder and settled after taking into consideration the loss suffered by the Bidder on account of the foreclosure of the contract. The Bidder shall have no claim to any payment of compensation or otherwise whatsoever on account of any profit or advantages which he might have derived consequent on foreclosure of the whole or part of the works. IIMB shall have the option to take over the Contractors materials or any part thereof, either brought to the site or to which the Bidder is legally bound to accept the delivery from the suppliers.

The amount of compensation payable to the Bidder due to foreclosure will be decided by the competent authority of IIMB.

II.44. Enclosures:

General Conditions, Special Conditions of contract, Tender Notice, Instructions to Bidders together with Technical Specifications, BOQ will form part of the contract.

II.45. Indemnity:

IIMB shall not be liable for or in respect of any damage or compensation payable at law in respect or in consequence of any accident or injury to any workmen posted on the work. The Bidder shall indemnify and keep indemnified IIMB against all such damages and compensation, and against all liability, claims, proceeding, costs, charges and expenses whatsoever in respect thereof or in relation thereto.

II.46. Arbitration:

1. Reference to Arbitration

Except where otherwise expressly provided in the Contract, all disputes, differences, claims, or questions whatsoever arising out of or in connection with the Contract, including but not limited to the interpretation of specifications, designs, instructions, quality of workmanship or materials, or any matter relating to the execution or non-execution of the Works, whether arising during the progress of the Works or after completion, termination, or abandonment thereof, shall be referred to and finally resolved by arbitration.

The arbitration shall be conducted by a Sole Arbitrator. The Sole Arbitrator shall be appointed by the Director. If the Director is unable or unwilling to act as Arbitrator, the Director shall appoint another person willing to act as Sole Arbitrator.

In the event the Arbitrator so appointed resigns, is transferred, vacates office, or is otherwise unable to act, the Director shall appoint a substitute Arbitrator in accordance with the provisions of the Contract. The substitute Arbitrator shall be entitled to continue the proceedings from the stage at which they were left by the predecessor.

2. Governing Law

Subject to the above, the provisions of the Arbitration and Conciliation Act, 1996, or any statutory modification or re-enactment thereof for the time being in force, and the rules made thereunder, shall apply to the arbitration proceedings under this Clause.

3. Notice of Disputes

The party invoking arbitration shall specify in writing the disputes sought to be referred to arbitration, together with a statement of the amounts claimed in respect of each such dispute.

4. Extension of Time

The Arbitrator may, with the consent of the parties, extend the time for making and publishing the arbitral award in accordance with applicable law.

5. Continuation of Work

Unless otherwise directed, the Contractor shall continue execution of the Works during the pendency of arbitration proceedings, insofar as reasonably practicable. No payments due to the Contractor shall be withheld solely on account of the arbitration proceedings.

6. Commencement of Arbitration

The Arbitrator shall be deemed to have entered upon reference on the date on which notice is issued to both parties fixing the date of the first hearing.

7. Separate Awards

The Arbitrator shall make a reasoned and separate award in respect of each dispute referred.

8. Venue and Seat

The seat and venue of arbitration shall be as determined by the Arbitrator, unless otherwise mutually agreed by the parties.

9. Finality of Award

The arbitral award shall be final and binding upon the parties, subject to provisions for challenge under applicable law.

II.47. Interpretation:

a) In interpreting the conditions of contract, singular also means plural, male also means female or neuter and the other way around. Headings have no significance. Words have their normal meaning under the language of the contract (English) unless specifically defined. The ENGINEER IN-CHARGE or his nominee will provide instructions clarifying queries about the conditions of contract.

b) If sectional completion is specified in the contract data, references in the conditions of contract to the works, the completion date, and the intended completion date apply to any section of the work (other than references to the completion date and intended completion date for the whole of the works).

III. SPECIAL CONDITIONS OF CONTRACT

III.1. The Bidder shall deploy required No. of Technical Personnel for the smooth execution of the contract.

III.2. The quality test as stipulated in the tender document or elsewhere deemed necessary by the Engineer-in-charge as per IS, shall be carried out at own cost of Bidder.

III.3. Criticalities

- A. The proposed renovation works at L classrooms are in a building which is in the middle of academic block surrounded by other classroom blocks, faculty blocks and library.**
- B. Access to the building is through the Faculty B Block corridor and vehicular access is restricted to a certain point which will be briefed at site.**
- C. Major and noise creating works are required to be executed at restricted hours only.**
- D. All materials are to be transported manually from one point to the work site as instructed at site.**
- E. There will be restrictions for labor movement and stacking of materials will be at designated places much away from the work site.**
- F. The debris collected during the work execution needs to be cleared from time to time at restricted hours from the work site as the surroundings of the buildings to be kept clean and neat always as there will be movement of visitors, staff and faculty and students.**
- G. There would be restrictions on execution of certain types of work like cutting/removal of existing floor due to the exams of students or conduct of classes.**
- H. Any other restrictions as applicable at site during the work execution.**

III.4. Site Supervision:

The Bidder shall either himself supervise the execution of the contract or shall appoint competent and experienced Engineers on his own for supervision of the work. Where the Bidder is not a qualified Engineer or even if he is so qualified but in the opinion of the Accepting Authority, cannot give full attention to the works, the Bidder shall at his own expense employ adequate Engineers, as indicated in manpower deployment schedule, to supervise the work and to receive instructions from the Engineer-in-Charge.

III.5. Provisions of Embedding Electric Conduit etc.:

Provisions shall be made during the progress of work for embedding electric conduit etc., wherever necessary as directed. Opening shall be left for service lines, machine foundations as required and as per instructions of the Engineer-in-Charge.

III.6. Damage to Service Lines etc.:

Care shall be taken in execution of work so as not to damage service line etc., coming in the way of construction. If any damage is caused to the line, the cost of replacing or repairs shall be borne by the Bidder.

III.7. Work Schedule:

The work schedule shall be submitted on the enclosed activity schedule along with the equipment & manpower mobilization schedule envisaged for timely completion of work within the stipulated time for completion of work.

III.8. Adequate Safety Precautions shall be taken by the Contractor to ensure the Safety of the workmen engaged by him.

III.9. Materials supplied by the Bidder:

The Bidder shall supply the materials in accordance with technical specifications mentioned in the tender document.

III.10. Other materials:

All other materials required for the work shall also be supplied by the Bidder. These shall conform to appropriate Indian Standard Specification and procured from approved manufacturer.

III.11. Sub-Letting or Sub-Contracting by the Bidder:

a. The Bidder shall not sub-contract the whole of the works. Except where otherwise provided in the contract, the Bidder shall not subcontract any part of the works without the prior consent of the Engineer in writing. Any such consent shall not relieve the contract from any of his liability or obligation under the contract and he shall be responsible for the acts, defaults and neglects of any sub-bidder, his representative, servants or workmen as fully as if they were the acts, defaults or neglects of the bidder.

b. Provided that the bidder shall not be required to obtain such consent for

- (i) The provision of labour, or
- (ii) The purchase of materials which are in accordance with the specifications / standards specified in the contract, or
- (iii) The subcontracting of any part of the works for which the sub-bidder is named in the contract
- (iv) The purchase of plants and equipment for execution of the works
- (v) The hiring of plants and equipment for execution of the works

Any breach of the above conditions shall entitle IIMB / Engineer to rescind the contract.

Provided always that execution of specific works by petty contractors, or on place work basis, under the personal supervision of the bidder, shall not be deemed to be sub-contracting under this clause.

III.12. Quoted Rate:

The Bidder shall agree not to petition for revision of rates quoted by him under any circumstances at any stage of the work, either during execution or when the final claims/Bills are settled.

In the event of any error in the description or in the quantity in BOQ or any omission therefrom shall not vitiate the Bidder or release the Bidder from the execution of whole or any part of contract comprised therein according to the specifications, or from any of his obligations under the contract.

The Bidder shall satisfy himself or shall be deemed to have satisfied himself as to the nature of subsoil, the dimensions, levels, character and nature of all roads, existing drains, sewers, water, gas or other mains, electric cables and other things as regards any connection they may have with the works of the subject of the contract, and he shall also inspect the site works and surroundings, the means of access thereto and agree there from and he shall generally obtain his own information on all matters and things which can in any way influence his Tender. No claims for extra works or otherwise will be allowed in consequence of any misunderstanding, error, incorrect information on these points, or if any other inaccuracies in reference thereto, which may appear in the specification nor shall the contract be nullified in consequence of any such misunderstanding, error, incorrect information or inaccuracies.

III.17. Engineer's Order to Commence Works and as to Non-Delivery of Site:

The Bidder having signed the contract, the Accepting authority will forthwith give him notice to commence the works and the Bidder shall upon receipt of such notice commence the works and carry them on at such point or points and in such portions as the Engineer may direct.

IIMB shall, with Engineer's written order to commence the works, give to the Bidder the use of so much of the site of works as may, in the opinion of the Accepting authority, be required in order to enable the Bidder to commence and continue to construction of the works, and shall from time to time consider proper in that behalf, but the non-delivery in manner aforesaid of the use of such site, or any portion thereof, shall not vitiate or affect the contract, nor any provision contained in the specification, not entitle the Contractors to any increased allowance in respect of the money.

III.18. Setting out Works Notice:

The Bidder shall set out the whole of the works & be responsible for the correctness of the position, levels & dimensions of several works, according to the written instructions of the Engineer. If at any time during the progress of the works any error shall appear or arise in the position, levels or dimensions of the several works, the Bidder, on being required to do by the Engineer, shall at his own expense remove & amend the work to the satisfaction of the Engineer, notwithstanding that he may have been assisted by the Engineer in setting out the same. The Bidder shall observe,

perform & comply with the requirements of all statutes & bye-law & shall also serve notices on the authorities having control of the road surfaces before the same are broken up & he shall likewise serve notice on the owners of sewers, drains, water, gas or other mains, electric cables & other things which may be in way affected by the execution of the contract works.

III.19. Power to vary Works:

IIMB shall have full power and authority from time to time, and at all times to order works additional to the contract, and to give such further instructions and directions as may appear necessary or proper for the guidance of the Bidder and the good and sufficient execution of the contract, the bidder will have to "obey and be bound by the said further instructions and directions according to the true intent and meaning thereof, and as fully and effectually as though they had accompanied, or has been mentioned or referred to in the specification". IIMB shall also have power to vary or alter the levels or positions of any of the works, the subject of this contract, or may order any of the works contemplated thereby to be omitted with or without the substitution of any other works in lieu thereof, or may order any work or any portion of the work executed or partly executed, to be removed, changed or altered and, if needed other works shall be substituted in lieu thereof, and the difference of expense occasioned by any such increase, diminution or alteration so ordered and directed shall be added to, or deducted from the amount of the contract, agreeably at the prices for similar work set forth in the bill of quantities or failing which as a derivative to similar works in the schedule of prices attached thereto, and in the absence of such similar work being scheduled, then such work shall be carried out at the rates entered in SSR applicable at IIMB and plus percentage which the total tendered amount bears to the estimated cost of the entire work put to tender.

IIMB will in no case become liable to the payment of any charge in respect any such conditions, alterations or deviations, unless the instructions for the performance of the same shall have been given in writing and signed by the Engineer nor unless such instructions distinctly state that the matter thereof is to be the subject of an extra or varied charges, in the work order hereinafter set forth: or unless the claim thereafter shall be made in writing, signed by the Bidder and be made within the week in which the work is executed and the materials used, and before the same shall have been placed out of view, or beyond check or measurement; nor unless the value of any altered or varied works or of any further works, shall wherever practicable, have been determined and settled before such altered or varied or further works shall have been commenced. Such value in case of dispute, shall be ascertained by the Engineer, who shall determine in all cases whether such previous determinations and settlements were practicable or not, and in all cases when he shall consider the same to have been practicable, the Bidder shall not be entitled to make any claim in respect of such altered, or varied or further works. It shall in the opinion of the Engineer, in any special instance become necessary to execute any additional or substituted work, either wholly or in part "By the day" the claim therefore shall not to be recognized unless the Bidder shall have delivered to the Chief Manager (Infrastructure) within one week day, and so on from day to day a true and exact list of the names, occupations, time and wages of the several workmen engaged during the previous day, on any and every such work in respect of whom a change "By the day" is intended to be made in the next succeeding weekly claim work in respect of whom a change "By the day" shall be made unless, in the opinion of the Engineer, it is impracticable or unreasonable to determine the value of the amount of work in manner otherwise provided for in these General Conditions.

III.20. Works to be executed in Approved Manner:

The works, the subject of the contract, specified and provided for, or that may be necessary to be done to form and complete any part thereof, shall be executed and completed in the best and most substantial manner, with materials of the best and most approved quality of their respective kinds, agreeable to the particulars contained in or implied by the specification as referred to by any of the said instructions and directions, and shall be to the full satisfaction of the Engineer. The Engineer shall have full liberty at all reasonable times to inspect and examine the works, materials and workmanship which to him, may appear defective, unfit or improper for the several purposes to which they are applied, or intended to be applied, or are not in accordance with the specifications of the said instructions or directions respectively and every such time reject any or all of such works, materials and workmanship.

III.21. Works To Be Carried With An Expedition Failing Which IIMB May Employ Contractors Without Vitiating The Contract:

The Bidder shall commence to carry on the works with due diligence, and as much expedition as the Engineer in charge may reasonably expect, having regard to the specified time of completion of the whole of the works. In case the Bidder fail to do so or neglect to provide proper and sufficient materials or to employ a sufficient number of workmen to execute the works then IIMB shall have full power, without vitiating contract, to take the works wholly or in part of the hand of the Bidder, to engage or employ any other person or workmen, and to procure all requisite materials and implements for the due execution and completion of the said works and the costs and charges incurred by IIMB in so doing shall be ascertained by the Accepting Officer and be competent for IIMB to deduct the amount of such costs and charges along with overheads out of any sum or sums due or to become due from IIMB to the bidder under this or any other contract.

III.22. Emergency Powers:

In the event of any accident or failure occurring in or on the works which in the opinion of the Engineer, requires immediate attention either during the construction or during the period of maintenance, IIMB may, by their own or other workmen make necessary repairs at the expense of the Contractors.

III.23. Openings To Be Made For Examination Of Works:

Should the Engineer require it for his more perfect satisfaction, the Bidder, shall at any period during the continuance of the contract pull down any part of the works, and make such openings, and to such extent, through any part of the works as the Engineer in charge may direct, and the Bidder shall make such works good again to his satisfaction. Should the works be found faulty in any respect the whole of the expenses thereby incurred shall be defrayed by the Bidder, but of otherwise, by IIMB.

III.24. Precaution Against Injury To Property Adjacent To Works In Progress:

The Bidder shall take special care, by the erection of temporary fences, and by every other means which circumstances may render necessary to prevent all injury and damage to or trespass upon the lands, roads, fences or property adjacent to the site of works, and he shall confine the passage of his workmen to existing public roads and

footpaths. He shall likewise pay and satisfy all claims whatsoever and from whomsoever, for temporary occupation, way leaves, damages, trespass or otherwise, in reference to the said lands, roads, fences and property adjacent, and bear IIMB harmless from any and all such claims. If any greater extent of lands than the site or works be required by the Bidder for his operations, he shall obtain and occupy the same at his own cost and charge.

III.25. Precautions Against Accidents Or Injury:

The Bidder shall, at his own expense, share, protect, support, alter, restore, make good and maintain, as may be necessary, all buildings, water and gas pipes, sewage, drains, electrical cables and other things, which may be disturbed, exposed or injured during the execution of the works, or in consequences of the execution of the works and shall also provide for the continuous use of all buildings, pipes, sewers, drains, electric cables and other things, the use of which may be liable to interruption during the progress of the works. The Bidder shall at his own expense restore all such buildings, water and gas pipes, sewage, drains, electric cables and other things to the satisfaction of the owners thereof, and he shall likewise, at his own expense, construct and maintain such works as may be necessary for the due permanent support of all such buildings, pipes, sewage, drains, electric cables and any extra timbering which may be temporarily required, and all labour in fixing and removing the same and shall at his own expenses provide other things not within the construction of the works, and keep indemnified, IIMB and its officers from and against all actions, suits, claims, penalties, liabilities, costs, expenses and demands whatsoever, by reasons of on account of damages to such buildings, pipes, sewage, drains, electric cables and other things whether caused by the execution of the contract works or the insufficiency of the aforesaid permanent support. IIMB may deduct the expenses thereby incurred or to which IIMB or its officers may thereby be put or be liable, or which may be incidental thereto, from the amounts of any sum or sums due or to become due to the Bidder or may recover the same by action at law or otherwise from the Bidder, and IIMB may compromise any such action, suits, or other proceedings, or such items as it shall see fit and the Bidder shall thereupon forthwith pay IIMB the sum or sums paid by IIMB upon the occasion thereof and shall in every case pay such sum or sums and shall fully indemnify IIMB according to the present stipulation.

III.26. Extension Of Time:

If the Bidder shall desire an extension of time for the completion of the work on the ground of his having being unavoidably hindered in its execution in consequence of altered, additional or substituted work, or any other ground, he shall apply in writing to the Engineer in charge within seven days of the hindrance on account of which he desires such extension as aforesaid and the Accepting Authority shall, if in his opinion (which shall be final) reasonable grounds be shown therefore, authorize such extension of time, if any, as may, in his opinion be necessary or proper.

III.27. Rejected Material:

All rejected materials shall at once be removed from the site by the Bidder to such distance as may be desired.

III.28. Scope of Completion:

Completion includes completion of all works in accordance with plans and specifications, removal of all the debris accumulated during construction, levelling and cleaning up the site and generally cleaning the whole building or works.

On intimation from the Bidder about the completion, the works will be inspected by the Engineer-in-charge and a completion certificate will be issued.

III.29. Measurements Of All Concealed Items To Be Recorded Prior To Covering Up:

Measurements of all items of work including extra items if any, such as, work in foundations including excavations, plinth filling, masonry concrete etc., steel in all RCC works, pipe to be encased etc., shall be got recorded from the authorized Engineer-in-Charge by the Bidder before they are covered up. Immediately the work is ready for measurements, Bidder will give specific notice to Engineer-in-Charge on site for recording the measurements.

If the Engineer fails to record the measurements the Bidder will refer the matter to the Chief Manager (Infrastructure) for instructions, but in no case shall he cover up the work without the permissions.

Before commencing the work, it shall be obligatory for the bidder to obtain, at his own cost, insurance cover under the following requirements.

- i) Liability for death or injury to any person or loss to any property (other than the work) arisen out the performance of the Contract.
- ii) Any other insurance cover as may be required by the law of the land like workmen insurance etc.

III.30. Damage To Persons and Property

The Bidder shall be responsible for all injury to persons, animals or things and for all structural and decorative item, damages to property which may arise from the operation or neglect of himself or of any nominated sub-bidder or any employees, of either, whether such injury or damage arises from carelessness, accident or any other cause whatsoever in any way connected with the carrying out of his contract and hold it harmless in respect of all and any expenses arising from any much injury or damage to persons or property as aforesaid and also in respect of injury or damage under any Act of any legislature or otherwise and also in respect of any award of compensation or damage consequent upon such claim.

III.31. Damage & Loss to Private Property & Injury To Workmen

The Bidder shall at his own expense reinstate and make good to the satisfaction of the Engineer-in-Charge, in respect of any such injury (including claim resulting in death), loss or damage to any person whosoever or property including all claims which may arise under the Workmen's Compensation Act or otherwise.

III.32. Local Conditions

i. Each Bidder shall acquaint himself with the local conditions and factors which would have any effect on the performance of the contract and the cost of item of works. IIMB shall not entertain any request for clarification from the Bidder regarding such local conditions. No request for change of price or time schedule for completion of work shall be entertained after the acceptance of offer by IIMB. The Bidder can visit the place of proposed work to understand the site conditions and correct appreciation of volume of work to be done.

ii. In case any of the information furnished by the Bidder is found to be false or any adverse points come to light subsequent to the Agreement, IIMB, at its discretion, may choose to terminate the Contract, at any time. The decision of IIMB in this regard shall be final and binding.

III.33. Progressive Execution:

The Bidder/s shall agree to execute the work progressively in co-ordination with the concerned Officers of IIMB and as directed by the Engineer-in-Charge.

III.34. Deviations And Amendments:

The bidder shall execute all the works referred to in the tender document upon the terms and conditions contained or referred to therein and as detailed in the Schedule and also carry out such deviation as may be ordered.

III.36. Time And Extension For Delay:

The time allowed for execution of the Works as specified in the tender or the extended time in accordance with these conditions shall be the essence of the Contract. The execution of the works shall commence from such time period as mentioned in the tender or from the date of handing over of the site whichever is later. If the Bidder commits default in commencing the execution of the work as aforesaid, IIMB shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the earnest money and security deposit absolutely.

III.37. If the works be delayed due to the following reasons:

- i. Force majeure, or
- ii. Abnormal bad weather, or
- iii. Serious loss or damage by the, or
- iv. Civil commotion, local commotion of workmen, strike or lookout, affecting any of the trades employed or the work, or
- v. Delay on the part of other contractors or tradesmen engaged by /Engineer-in-Charge in executing work not forming part of the Contract, or
- vi. Any other cause which, in the absolute discretion of the Engineer-in-Charge is beyond the Bidder's control.

Then upon the happening of any such event causing delay, the Bidder shall immediately give notice thereof in writing to the Engineer-in Charge but shall nevertheless use constantly his best and endeavor to prevent or make good the delay and shall do all

that may be reasonably required to the satisfaction of the Engineer-in-Charge to proceed with the works.

Request to reschedule milestones and extension of time, to be eligible to consideration, shall be made by the Bidder in writing within fourteen days of the happening of the event causing delay on the prescribed form. The Bidder may also, if practicable, indicate in such a request the period of which extension is desired.

In any such case the Engineer-in-Charge may give a fair and reasonable extension of time and reschedule the milestones to completion of work. Such extension shall be communicated to the Bidder by the Engineer-in-Charge in writing, within 3 months of the date of receipt of such request. No application by the bidder to extension of time shall be a bar for giving fair and reasonable extension by the Engineer-in-Charge and this shall be binding on the bidder.

In such case the Accepting Officer may grant fair and reasonable extension in the completion dates of individual items or work for which the separate period of completion is mentioned in the contract documents or work order as applicable. Upon the happening of any such event causing delay, the Bidder shall immediately give notice thereof in writing to Engineer-in-Charge but shall nevertheless use constantly his best endeavor to prevent or make good the delay and shall do all that may reasonably be required to the satisfaction of the Engineer-in-Charge to proceed with the works extension of time as granted above shall be communicated to the Bidder by the Engineer-in-Charge in writing and shall be final and binding.

No claims in respect of compensation or otherwise, however, arising as a result of extension granted shall be admitted.

III.38. Modification of Specifications:

No modifications or changes of specification in the Bill of Quantities shall normally be accepted & such specifications and rates are liable to be rejected.

III.39. Running Account Remittance: (R A R)

The contractor shall submit the RA bills as under:

- a) The bidder shall submit the RA Bills before 10th of every month.
- b) The bidder shall submit maximum of 3 invoices during the currency of contract.
- c) IIMB will pay such invoice within thirty (30) working days from the date of receipt of the undisputed invoice.
- d) The bidder should take the entry seal from the Entry Gate Security. Two DC along with Invoice with seal and sign of security. In the absence of this, such invoices will not be considered for payment.

Memorandum of Payment:

- a. Total value of work done -----
- b. Deduct total value of the work done upto previous bills ---
- c. Deduct for Income Tax ----- 2%
- d. Any other dues recoverable by IIMB from the Bidder under the present or any other contract. -----

III.40. Final Bill:

On completion of the work, the complete measurements are recorded in measurement books and accepted by the bidder. There upon a final bill shall be submitted by the bidder within ONE MONTH from the date of completion of the work, so as to ensure payment being made before the expiry of six months from the date of completion of work.

III.41. Defects Liability (Maintenance) Period:

The normal period of maintenance for all works shall be **Twelve Months** from actual completion of work. During this period the Bidder shall be responsible for rectifying all the defects noticed and attributable to defective workmanship in respect of the work carried out by him. As soon as any defects come to notice, Engineer-in-Charge shall instruct the Bidder in writing to rectify the defects noticed. Such defects noticed shall be rectified within 7 days of issuance of the notice to the contractor by the engineer incharge.

III.42. Recovery For Any Over Payment Made:

Should there be any over payments made inadvertently to the Bidder on this account or in any other contract, IIMB shall recover such amount from the Bidder either by deducting the amount from any sums that may due or may become due to the Bidder by IIMB on any account whatsoever from this or any other contract or from the security-cum-earnest money deposit made by the Bidder.

III.43. Responsibility Of Bidder Against Risks:

During currency of the contract it shall be the responsibility of the Bidder to safeguard all materials (tools, tackles, plant, equipment etc. either issued by IIMB or brought by the Bidder), against all loss, damage, theft, shortage, fire or any other reason whatsoever and IIMB shall not be responsible for loss, damage etc. as aforesaid. The Bidder shall solely be responsible for protecting and securing such property.

III.44. Inspection Of Work:

a) The Engineer-in-Charge shall have power at any time to inspect and examine any part of the works either at the manufacturing plant or at the site of execution and the Bidder shall give such facilities as may be required to be given for such inspection and examination.

b) Should the Engineer-in-Charge consider, at any time during the construction or reconstruction or prior to the expiration of the maintenance period, that any work has been executed with unsound imperfect or unskilful workmanship or of a quality inferior to that contracted for, or not otherwise in accordance with the contract (in respect whereof the decision of the Engineer-in-Charge shall be final binding and conclusive), the Bidder shall on demand in writing from the Engineer-in-Charge specifying the fault, notwithstanding that the same may have been inadvertently passed, certified and paid for, forthwith rectify or remove and reconstruct the work so specified, in whole or in part as the case may require, at his own expense to the entire satisfaction of the Engineer-in-charge, and in the event of his failing to do so within a period to be specified by the Engineer-in-Charge in its demand aforesaid, IIMB may carry out the work by

other means at the risk and expense in all respects of the Bidder. However, the liability of the Bidder under this conditions shall not extend beyond the maintenance period except as regards workmanship which the ENGINEER IN-CHARGE shall have previously given notice to the Bidder to rectify.

III.45. Approval Of Works By Stages:

All work consisting of more than one process shall be subject to examination and approval at each stage by the Engineer-in-Charge or his nominee thereof and the Bidder shall give due notice in writing to the Engineer-in-Charge when such stage is ready. In default of such notice being received, the Engineer-in-Charge shall be entitled to disallow the work or any part thereof at any time he may choose and in the event of any dispute, the decision of the Engineer-in-Charge thereon shall be final and conclusive.

If any work is so disallowed, the same shall be redone by the Bidder at his cost to the satisfaction of the Engineer-in-charge. Also in the event of failure of the Bidder to give notice, he shall uncover any part of the works and/or make openings in or through the same as the Engineer-in-charge may direct for his verification and shall make good such part to the satisfaction of the Engineer-in-charge at the Bidder's expense.

IV. PRICE BID CONDITIONS:

E-Bids are invited through the electronic tendering process and the Tender Document can be downloaded from the e-Tender Central Public Procurement Portal (CPPP) of Government of India, <https://eprocure.gov.in/eprocure/app>. The submission of e-Bids will be only through the e-Tender portal <https://eprocure.gov.in/eprocure/app> Bids will not be accepted in any other form.

The prospective bidders should adhere to deadlines specified in Tender Details Screen corresponding to this Tender on E-Tender portal <https://eprocure.gov.in/eprocure/app>.

General Instructions to Bidders:

- 1) For participation in e-procurement all bidders need to enroll themselves on the CPP Portal (<https://eprocure.gov.in/eprocure/app>). Only enrolled/registered bidders with the said portal shall be allowed to participate in the e-tendering process.
- 2) Tender Documents may be downloaded from Central Public Procurement Portal <https://eprocure.gov.in/eprocure/app>. Aspiring Bidders who have not enrolled/registered in e-procurement should enroll/ register before participating through the website <https://eprocure.gov.in/eprocure/app>. The portal enrolment is free of cost. Bidders are advised to go through instructions provided at 'Instructions for online Bid Submission'.
- 3) Tenderers can access tender documents on the website (For searching in the NIC site <https://eprocure.gov.in/eprocure/app>, kindly go to Tender Search option, select tender type and select 'Indian Institute of Management Bangalore' in department type Thereafter, Click on "Search" button to view all IIM Bengaluru tenders). Select the appropriate tender and fill them with all relevant information and submit the required documents online on the website <https://eprocure.gov.in/eprocure/app> as per the schedule.
- 4) The Bidders should have Java 8 update 231 version-32 bit for uploading the bid in the CPP Portal.
- 5) IIMB neither operates nor manages the CPP Portal where online bids are submitted and therefore will not be responsible for any technical issues related to bid submission (viz., being not being able to upload bid, blank/missing/part documents etc.). If the bid is incomplete on account of this, it will be treated as such and evaluated further. For any technical queries/issues related to online bid submission, Bidders must directly approach the support service of CPP Portal as per the details given on their website.

Bill of Quantity (BOQ)- Price bid

Bidders should necessarily submit their price bid in the format provided and no other format is acceptable. The prices mentioned in BOQ shall be considered for evaluation and comparison of bids. Bidders are required to download the BOQ file, open it and complete the Blue coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.

Submission of Online Bids:

- 1) Bids shall be submitted online only at CPPP website <https://eprocure.gov.in/eprocure/app>.
- 2) Bids received by Manual/ Offline bids /E-mail shall not be accepted under any circumstances.
- 3) The Bidder shall download the Tender Document directly from the website <https://eprocure.gov.in/eprocure/app> and shall not tamper/modify it in any manner. In case the same is found to be tampered/modified in any manner, such Tender/Bid will be summarily rejected and EMD would be forfeited.
- 4) The complete bidding process is online. Bidders should be in possession of a valid Digital Signature Certificate (DSC) of class III for online submission of bids. Prior to bidding DSC needs to be registered on the website mentioned above.
- 5) Bidders are advised to go through "Bidder Manual Kit" & "FAQ" links available on the login page of the e-Tender portal for guidelines, procedures & system requirements. In case of any technical difficulty, Bidders may contact the help desk numbers & email ids mentioned at the e-tender portal. Every Bidder will be required to obtain a Class-III Digital Signature (DSC) for submission of Bids.
- 6) IIMB shall receive the bids online through CPPP portal only. The e-Tender portal shall automatically stop accepting bids after the scheduled date and time specified in the Tender Document. Partially submitted bids shall be treated as invalid and shall not be processed.

7) Due date for Submission of Bids:

- i) EMD must be paid through online transfer as per the bank details mentioned in this document within the due date of submission of bids.
- ii) **Bidders are advised to upload, submit and freeze their E-bids** within the due date for submission of E-Bids in view of the electronic process so as to avoid last minute issues.
- iii) IIMB may, at its discretion, extend the deadline for submission of bids by amending the bid documents in accordance with Clause relating to Amendment of Bidding Documents in which case all rights and obligations of IIMB and Bidders previously subject to the deadline will thereafter be subject to the due date as extended.

8) Late Submission of EMD:

- i) Any EMD received by the IIMB after the due date for submission of bids prescribed by the IIMB is liable to be rejected.
- ii) Bidders must note that the e-tender portal shall not permit uploading of bids after the scheduled time of submission.

9) Withdrawal, Substitution and Modification of Bids:

i) The bidder may withdraw or resubmit the modified bid his digitally signed bid after submission prior to the deadline for submission of bids, through provisions of e-tendering portal. For this, the bidder shall go to 'My Active Bids' and either withdraw or resubmit the modified bid.

10) Opening of E-Bids:

i) The E-bids shall be opened online by authorized officials of IIMB as per schedule given in the Tender Notice. In the case of two bid tender, the Price bid of only those bidders who qualified in technical evaluation, shall be opened.

ii) In the event of the specified date of Bid opening being declared a holiday for IIMB, the Bids shall be opened at the appointed time on the next working day. In two-part bidding, the financial bid shall be opened only after technical evaluation. No separate intimation shall be sent to the bidders in this regard.

iii) Since E-bid is an online process, the E-bid opening or any other process may be delayed due to any technical/server issue. If any such issue arises, this will not be tantamount to the process delay and IIMB will not be responsible for the same.

iv) On opening of technical bids online, accepting the bid will not mean that the firm is technically or financially qualified.

v) Bids will be opened online on the specified date and time. There is no need to visit IIMB premises to attend bid opening. If the bids cannot be opened on the due date and time due to any technical or administrative issues (network/connectivity issues, holidays, office closure etc.) the bids will be opened as soon as the issue is resolved or next working day as the case may be. Bids submitted online on CPP portal are safe, secure, and confidential and can be seen only after opening of the price bids by following the due process.

V. SCOPE OF WORK AND TECHNICAL SPECIFICATIONS:

Work: Renovation of Classrooms at L Cluster (Classrooms L-11 and L-12) at IIMB – Electrical and Air Conditioning Works

1. Scope of work and technical specifications of Electrical and Air Conditioning works shall be as mentioned in the BOQ.
2. AC units shall be delivered within 15 days of issue of work order as it has link with false ceiling and other related works.
3. Contractor shall work in coordination with the civil works contractor.

VI. SAFETY CONDITIONS

1. General:

The Bidder shall take all safety precautions / measures and ensure safety for the works, he has been contracted to execute. He shall follow all relevant safety codes of CPWD and IS codes and safety manuals. Some of the more important measures are listed below. The Bidder shall implement any further measures which may be required as per the safety codes of CPWD/ IS codes etc. and the measures which the Engineer may call for during the execution of the work.

2. Scaffolding:

Suitable scaffolds shall be provided for workmen for all work that cannot safely be done from the ground, or from solid construction except such short period work as can be done safely from ladders. When a ladder is used an extra labourer shall be engaged for holding the ladder and suitable footholds and handholds shall be provided on the ladder and the ladder shall be given an inclination not steeper than 1/4 to 1 (1/4 horizontal and 1 vertical).

3. Guard Railing in Scaffolding / Staging / Platforms:

Scaffolding or staging more than 3.25 meters above the ground floor or floor swung or suspended from an overhead support or erected with stationary support, shall have a guard rail properly attached, bolted, braced and otherwise secured at least 1 meter high above the floor or platform of such scaffolding or staging and extending along the entire length of the outside and ends thereof with only such openings as may be so fastened as to prevent it from swaying from the building or structures.

4. Working Platform / Gangway / Stairway:

Working platform, gangways and stairways shall be so constructed that they do not sag unduly or unequally, and if height of a platform or gangway or stairways is more than 3.25 meters above ground level or floor level, it shall be closely boarded, have adequate width and be suitably fenced provided with guard rail as described in 2 above.

5. Access to working platforms and other working places:

Safe means of access shall be provided to all working platforms and other working places. Every ladder shall be securely fixed. No portable single ladder shall be over 5 meters in length. Width between side rails in a rung ladder shall in no case be less than 30 cm. for ladders upto and including 3 meters in length. For longer ladders this width shall be increased at least 6 mm. for each additional 30 cm. of length. Uniform step spacing shall not exceed 30 cm.

6. Hoisting Machines:

Use of hoisting machines and tackle including their attachments, anchorage and supports shall conform to the following:

Those shall be of good mechanical construction, sound material and adequate strength and free from patent defects and shall be kept in good repair and in good working order. Every rope used in hoisting or lowering materials or as a means or suspensions shall be of durable quality and adequate strength, and free from patent defects.

Every crane driver or hoisting appliance operator shall be properly qualified and no person under the age of 21 shall be in charge of any hoisting machine including any scaffold winch or give signals to operator.

In case of every hoisting machine and of every chain ring hook, shackle swivel and pulley block used in hoisting or lowering or as means of suspension, safe working load shall be ascertained by adequate means. Every hoisting machine and all gear referred to above shall be plainly marked with safe working load. In case of hoisting machine having a variable safe working load, each safe working load and the condition under which it is applicable shall be clearly displayed on the machine prominently. No part of any machine or of any gear referred to above in this paragraph shall be loaded beyond safe working load except for the purpose of the testing.

Motors gearing, transmission, electric wiring and other dangerous parts of hoisting appliances shall be provided with efficient safeguards; hoisting appliances shall be provided with such means as will reduce to the minimum, risk of accidental descent of load. Adequate precautions shall be taken to reduce to the minimum risk of any part of a suspended load becoming accidentally displaced. When workers are employed on electrical installations which are already energised, insulating mats, working apparel such as gloves, sleeves and boots, as may be necessary shall be provided. Workers shall not wear any rings, watches and carry keys or other materials which are good conductors of electricity.

Load tests: All cranes, hoisting machines etc. shall be load tested. Bidder shall submit test certificate from competent, authorised person before use.

7. Demolition works:

Before any demolition work is commenced and also during the process of the work:

- a. All roads and open areas adjacent to the work site shall either be closed or suitably protected.
- b. No electric cable or apparatus which is liable to be a source of danger over a cable or apparatus used by Bidder shall remain electrically charged.
- c. All practical steps shall be taken to prevent danger to persons employed, from risk or fire or explosion, or flooding. No floor, roof, or other part of a building shall be so overloaded with debris or materials as to render it unsafe.
- d. All blasting materials shall be stored and handled as per guidelines of relevant authorities.

8. Barricades:

i. Bidder shall erect and maintain barricades required in connection with his operation to guard or protect:

- a. Excavation / Hoisting / Lifting areas
- b. Slab Openings
- c. Areas adjudged hazardous by Bidder's or Engineer's Inspection.
- d. Existing property subject to damage by Bidder's operations.

ii. Bidder's employees and those of his sub-Contractors shall become acquainted with IIMB / Engineer's barricading practice and shall respect the provisions thereof.

9. Net & Protective Platform:

The Bidder shall provide & maintain a closely knitted PVC net all-round tall buildings throughout the construction period. He shall also provide all-round from external face about 1.5 M+ wide temporary platforms at all the floor covered with welded steel mesh. This shall be maintained & updated throughout the construction period to avoid any accident due to dropping of construction materials/debris. This shall be strictly followed, and work shall be permitted only when complied to satisfaction of the Engineer. If the above are not fully taken care of the Engineer reserves the right to get the same carried out through other agency at the risk and cost of the Bidder.

10. Prevention of Fire and Protection:

All combustible waste materials, wood scaling, soiled rags, etc. should be removed daily and burned in suitable areas.

Fire, welding, and flame cutting should not be permitted in combustible areas. Fires and open flame devices should not be left unattended.

Smoking should be prohibited in all flammable material storages, viz. carpentry, paint shops, garages, service stations, etc. "No Smoking" signs should be posted on all such areas.

Accumulation of flammable liquids on floor, walks, etc, should be prohibited. All spills of flammable liquids should be cleaned up immediately.

Flammable liquids, lubricants, etc. should be handled and transported in safety containers and drums which can be kept tightly capped.

Petrol or other flammable liquids with a flash point below 100 Deg F should not be used for cleaning purposes.

Oxygen cylinders should not be stored with combustible materials.

All electric installations should be properly earthed. Repairs should not be made on electrical circuits until the circuit has been de-energized.

Fire extinguishers & fire buckets, painted red, should be provided at all fire hazardous locations. Extinguishers should be inspected, serviced & maintained in accordance with manufacturer's instructions. The inspections should be evidenced by notations on the tag attached to the extinguisher.

Handling of Hazardous materials shall be as per statutory regulation.

11. Electrical Equipment:

All temporary and permanent electrical installations, power distribution and supply required for execution of Work shall be carried out conforming to existing industrial and domestic safety rules and regulations. Important specific points to be noted are as under:

Meter room and main switches should be freely accessible at all times and fully protected against all weathers.

Power distribution system shall be identifiable with display marking on switches.

All power distribution shall be carried out with coated, adequately, insulated and of appropriate current / load rating cables. It shall be securely routed for this purpose. No loose, naked, hanging wires shall be permitted.

Overload protection devices shall be installed whenever and wherever heavy current / load consuming construction or plant machinery susceptible to hazard is in use and as directed by the Engineer.

Metallic plugs and sockets shall be used in field work. Switch board shall be in close proximity so as to have quick control over the supply

Proper and adequate earthing connection to be provided for all installation, plant machinery and distribution system.

Hand lamps and inspection lamps shall be adequately insulated and guarded with wire mesh and will have proper plugs for use.

Security and illuminatory light shall be secured firmly and protected to withstand all weather.

12. Protective equipment / gears:

All necessary personal protective equipment as considered adequate by the IIMB and the Engineer shall be available for use of the persons employed on the site and maintained in a condition suitable for immediate use; and the Bidder shall take adequate steps to ensure proper use of equipment by those concerned.

- Workers employed on mixing cement concrete shall be provided with protective footwear & protective goggles, hand gloves of polythene type.
- Those engaged in handling any material which is injurious to eyes shall be provided with protective goggles.
- Those engaged in welding works shall be provided with welders' protective eye-shields.
- The following safety equipment should be provided to workers as required and their use enforced. Rubber boots; hard toe protective safety boots; hard hats & helmets, safety belts; goggles for stone/concrete cutters., gas welding aprons, respirator shields, manila ropes and slings for lifelines, gloves, flash lights, battery lamps, safety nets, boatswains chairs, helmets, life and ring buoys.

Items of personal wear should be maintained in serviceable condition and should before being reissued to other employees or returned to stores to be cleaned, sterilised, inspected and repaired, if necessary.

Loose and frayed clothing, hand rings, loose watch chains, etc. should not be worn around moving machinery or other sources of entanglement.

13. Other Safety Measures:

Every receptacle used for raising or lowering stones, bricks, tiles, slates, or other subjects should be enclosed, constructed or designed so as to prevent the accidental fall of such objects.

All gears, tools, goods or loose material should be properly loaded into the bucket or receptacle in which they are being raised or lowered. If necessary, they should be properly secured, or effective precautions should be taken to prevent their fall.

No timber or materials with projecting nails should be used in any work because they can be a source of danger to people.

Adequate precautions shall be taken to prevent danger from electrical equipment. No materials on any of the sites shall be so stacked or placed as to cause danger or inconvenience to any person or the public. The Bidder shall provide all necessary fencing and lights to protect public accidents and shall be bound to bear expenses of defence of every suit, action or other proceeding at law that may be brought by any person for injury sustained owing to neglects of the above precautions and to pay any damages and costs which may be awarded in any such suit, action or proceedings to any such person or which may with the consent of the Bidder be paid to compromise any claim by any such person.

Adequate Safety Precautions shall be taken by the Bidder to ensure the Safety of the workmen engaged by him.

14. First Aid Injuries:

- i. Bidder shall maintain first aid facilities for his workmen. First aid appliance including an adequate supply of sterilised dressings and sterilised cotton wool should be maintained in a readily accessible place. Appliances should be kept in good order, and they should be placed under the charge of a responsible person who should be readily available during the working hours.
- ii. Bidder shall make adequate arrangements for ambulance service and for treatment of injuries. Names of those providing these services shall be furnished to IIMB prior to start of constructions and their telephone numbers shall be prominently posted in Bidder's field office.

15. Maintenance:

All scaffolds, ladders and other safety devices mentioned or described herein shall be maintained in a safe condition and no scaffold, ladder or equipment shall be altered or removed while it is in use.

16. Enforcement:

To ensure effective enforcement of the rules and regulations relative to safety precautions, arrangements made by the Bidder shall be open to inspection by the Engineer or his representatives and the Inspecting Officers.

17. Displays:

These safety provisions shall be brought to the notice of all concerned by display on a notice board at prominent places at the work spot. Persons responsible for ensuring compliance with the Safety Code shall be named therein by the Bidder.

18. Work permits:

The bidder shall at his own cost and responsibilities follow all the safety rules and regulations and safety codes such as: -

PROFORMA F

(To be executed on Non Judicial Stamp Paper of the value of Rs. _____
within 15 Days issue of Work Order)

AGREEMENT

Articles of Agreement for "**NAME OF WORK**" ("Agreement") is executed on the <Insert Present date> day of _____ Two Thousand And _____,

Between

Indian Institute of Management Bangalore ("IIMB"), a body corporate and Institute of National Importance under the Indian Institute of Managements Act 2017 having its registered office at Bilekahalli, Bannerghatta Road, Bangalore- 560076, represented through its Director (hereinafter called "IIMB", which expression shall include its successors and assigns wherever the context or meaning shall so require or permit) of the One Part;

And

_____, an organization duly incorporated under the applicable laws of India and having its office _____, represented by its Proprietor _____ hereinafter called the "Contractor" (Which expression shall include its successors and assigns wherever the context or meaning shall so require or permit) of the **Other Part**.

IIMB, and the Contractor shall be individually referred to as "**Party**" and jointly referred to as "**Parties**".

Whereas

IIMB has, through the Tender dated _____ invited reputed contractors for executing the works in connection with "**NAME OF WORK**".

- The Contractor, being the successful contractor has been issued the Work Order dated _____ bearing number _____.
- IIMB and the Contractor agree to bind themselves on the terms and conditions hereinafter mutually agreed to.

Hence this Agreement is now made and entered into and both the Parties agree as follows:

Scope of Work: The Scope of Work shall be as per the stipulations contained in the Work Order bearing number _____ dated _____, and the terms contained in the Tender documents on "**NAME OF WORK**" dated _____. The approximate value of the project, as per the Work Order is Rs _____ (Rupees _____ Only) exclusive of applicable GST.

1. Term: Time is the essence of the Contract. The Contractor shall execute and fully complete all the works specified in the Work Order, i.e., within _____ from the date stipulated in the Work Order and in the manner and pursuant to the terms, obligations and conditions set forth herein and in the said Tender and Work Order.

2. Penalty for delay: In case the work is not completed in the manner mentioned above, and to the complete satisfaction of IIMB, the Contractor shall, without prejudice to any other rights and remedies of IIMB, pay a penalty of **minimum 1.0% to maximum 10%** of the value of the unfinished or balance of the work. IIMB shall decide the percentage of penalty after considering the unfinished or balance of the work at that point of time and the percentage of penalty shall vary for each week of such delay in completion of the work.

3. Payment Terms: In consideration of the work done under this Agreement, IIMB agrees to pay the Contractor at different stages as set forth in the Tender in that behalf. The Contractor shall be responsible for payment of all applicable Taxes on the works contract.

- i. The Contractor shall promptly raise an invoice to IIMB on the completion of work at each stage as per the Tender terms before the 10th day of the subsequent month, for the works completed in the previous stage.
- ii. IIMB shall pay such invoice within thirty (30) working days from the date of receipt of the undisputed invoice.
- iii. On receipt of the Final payments, the Contractor shall furnish a "No Demand Certificate" to IIMB.

4. Obligations of Contractor:

- a. The Contractor shall take all appropriate and reasonable efforts to complete the work at IIMB to the satisfaction of IIMB in a timely and effective manner.
- b. The Contractor shall comply with all the Terms of this Agreement.
- c. The Contractor shall be responsible for complying with all the applicable Laws and IIMB shall not be held liable for any default of the Contractor in this regard.
- d. The Contractor shall ensure that all employees, workers, consultants etc., engaged pursuant to this Agreement at IIMB are its employees. The Contractor shall be solely responsible for payment and provision to those employees and personnel of salaries, wages, allowances and all applicable benefits such as EPF, ESI under the applicable law for the time being in force.
- e. The Contractor shall complete the work to the satisfaction of IIMB as per the instructions of the authorized officer of IIMB.

5. Performance Bank Guarantee (PBG): The Contractor has submitted ORIGINAL Bank Guarantee for Rs. **<Bank Guarantee Value>** on **<Date of Issue of Bank Guarantee>** issued by **<Bank Name>**, valid for the period of scheduled completion of warranty period plus two months as specified in the tender. This Bank Guarantee (original) shall be returned to the contractor after successful completion of the Defects Liability Period, subject to fulfilment of the obligations if any, by the contractor.

6. Earnest Money Deposit (EMD): EMD paid by the bidder for Rs. _____ bearing UTR No. _____ paid on _____ shall be returned on submission of the Performance Bank Guarantee @ 5% of the value of contract valid till the completion of the defects liability period plus two months.

7. Indemnity and Liability for Accidents and Non-Compliance:

a) Responsibility for Accidents and Compensation

The Contractor shall be solely and exclusively responsible for any accident, injury, loss, or damage to any person or property, including but not limited to its employees, workmen, agents, contract labour, or any third party, arising out of or in the course of execution of the Works under this Agreement.

The Contractor shall be liable to pay all compensation, damages, claims, costs, charges, and expenses payable under applicable laws, including labour and employment laws, in respect of such accident, injury, loss, or damage. IIMB shall have no liability whatsoever in this regard.

In the event IIMB is held liable or is required to make any payment by any court, tribunal, statutory authority, or otherwise, arising out of or in connection with the execution of this Agreement, the Contractor shall fully indemnify, defend, and hold harmless IIMB from and against the entire amount so paid, together with all costs, expenses, and legal charges incurred by IIMB.

b) Indemnity for Breach of Contract

If the Contractor fails to comply with any of the covenants, terms, conditions, or obligations under this Agreement, the Contractor shall be liable to indemnify and keep indemnified IIMB against all losses, damages, claims, liabilities, costs, and expenses (including reasonable legal fees and expenses) which IIMB may directly or indirectly suffer or incur as a consequence of such failure or breach by the Contractor.

8. Confidentiality: Both the Parties hereby undertake that under no circumstances whatsoever they shall disclose any of the Terms of this Agreement and all or any Confidential Information belonging to the other like financial plans, business plans, and others, declared confidential to which they might have access during the association with one another in terms of this Agreement, except to the extent that is already in public knowledge/domain. The Confidential Information as hereinabove detailed shall not be disclosed during the subsistence of this Agreement and thereafter for a period of five years from the date of termination for whatever reason.

9. Termination: If the Contractor fails to perform the work set out in this Agreement within the stipulated period of time or carry out the work to the satisfaction of IIMB, IIMB shall terminate the contract as a whole or a part thereof at the risk and cost of the Contractor, with a 7 days' notice in writing.

10. Consequence of Termination: In the event of termination of this contract, the parties agree to promptly deliver all the deliverables applicable to the fullest extent conceived, created or developed prior to the date of termination.

In case of termination due to the material breach of the terms of this contract by the Contractor, IIMB shall get the balance work executed through a third party and recover from the Contractor all the additional costs incurred by and damaged caused to IIMB in procuring such services from any other third party.

11. Arbitration: In the event of any dispute arising out of or in connection with this contract, the Parties agree to resolve the disputes amicably, failing which the disputes

shall be referred to Arbitration. The Arbitrator shall be appointed by the Director of IIMB. The venue of Arbitration shall be at Bangalore.

12. Applicable Law and Jurisdiction: This Agreement shall be governed and construed in accordance with the Indian Laws and subject to the exclusive jurisdiction of competent courts at Bangalore, India.

13. Miscellaneous:

a. **Relationship of Parties:** Nothing contained in this Agreement shall be construed as creating a partnership between the Parties or as deeming either Party as an agent or representative of or employee of the other. Neither Party may act as the agent of the other Party or incur any liability on behalf of the other Party.

b. **Assignment:** This Agreement shall not be assigned, sublicensed, sold, mortgaged, sub-contracted, or pledged to any other third person by the Contractor without the prior written consent of IIMB.

c. **Publicity:** Both the Parties shall be entitled to issue or make any press releases or other public announcements relating to this Agreement. However, all press releases or other public announcements relating to this Agreement must be approved in advance and in writing, in each instance, by both the Parties.

d. **Notice:** All notices, including notice of address change, required to be sent hereunder shall be in writing and shall be deemed to have been delivered when mailed by first class mail or reputable courier service return receipt requested to the address stated in the first page of this Agreement. Electronic communications are admissible provided these are sent with delivery confirmation receipt and followed by physical copy mailed as set forth above.

e. **Severability:** If any provision of the Agreement is or becomes invalid or impracticable in whole or part, the validity of the other provisions of this Agreement shall not be affected thereby. The invalid provisions shall be replaced by valid provisions that come closest to the economic intention pursued by the Parties.

f. **Amendments:** This Agreement may only be modified by mutual consent in writing, signed by the authorized representatives of each Party.

g. **Force Majeure:** If, at any time during the currency of the contract, the performance of any obligation (in whole or in part) by IIMB or the Bidder shall be prevented or delayed by reason not under the control of IIMB or the bidder like of any war, riot, hostilities, invasion, acts of public or foreign enemies, rebellion, revolution, insurrection, civil commotion, sabotage, large scale arson, floods, earth quake or any other act of God, large scale epidemics, lockdown, any type of Government restrictions like quarantine restrictions etc, natural disasters, nuclear accidents, any other catastrophic unforeseeable circumstances, any statutory rules, regulations, orders or requisitions issued by a Government department or competent authority (hereinafter referred to as "event") then, provided notice of the happening of such an event is given by either party to the other within 21 days of the occurrence thereof.

a) Neither party by reason of such event be entitled to terminate the contract or have claim for damages against the other in respect of such non-performance or delay in performance, if not covered under insurance.

- b) The obligations under the contract shall be resumed as soon as practicable after the event has come to an end or cease to exist.
- c) In case of doubt or dispute, whether a particular occurrence should be considered an “event” as defined under this, clause the decision of the Engineer shall be final and binding.
- d) If the bidder is foreclosed under this clause, the Bidder shall be paid fully for the work done under the contract, but not for any defective work or work done which has been destroyed or damaged before its measurement. The Engineer shall have the option to take over any plant and material lying at site, at rates provided for in the contract, failing that, as per rates which are determined to be fair and reasonable by the Engineer.
- e) If no notice is issued by either party regarding the event within 21 days of occurrence, the said event shall be deemed not to have occurred, and the contract will continue to have effect as such.
- h. **Entire Agreement:** The terms and conditions contained in the following documents are deemed to form part of this Agreement, namely, the Tender document including the Notice Inviting Tender, General Conditions, Special Conditions, the Specifications, the Priced Bill of Quantities, the Schedule of rates and prices, and the Specifications. The letter of Acceptance, Work Order and all the communication between the Parties will also form part of this Agreement.

In Witness Whereof the said parties hereto have hereunto set their hands.
