Ideathon - Ideation & Innovation Inerve 2020 - Technical Fest Indira Gandhi Delhi Technical

University for Women (IGDTUW) - 3rd Place

According to Umesh, all the courses at IIMB gave him a good understanding of the diverse functions related to business. "This has been a great base for my future development. The faculty members made the subjects interesting and easy to follow. The international programmes related to the Global Network for Advanced Management provided the opportunity to learn and network with international students. Being part of the diverse experienced cohorts provided great learning and networking opportunity."

He shares that he can see himself as the CEO of a large engineering organization that contributes to the nation's growth. "I also wish to explore my entrepreneurial dreams to build sustainable growth and business opportunities for tea farmers in Ooty."
