Post Graduate Programme in Enterprise Management (PGPEM) 2019-2021

Gold Medallist – 1st Rank Holder

Venkata Naga Swaroop Muvvala (36) has featured in the Director's Merit List in Year One of the programme. He says the PGPEM at IIMB significantly widened his horizon of thinking (from being a 'numbers' person) and changed his approach to business challenges. "When I joined the course, one of my stated objectives was to make myself ready to handle a CEO role. I think this course, covering all the aspects of the business, definitely helped me move multiple steps in this direction. Reading real-life cases, discussing and learning from top-notch professors and a diverse cohort has helped me explore alternatives to a given challenge. Most importantly, it has helped me develop a people-centric approach."

His wife Manasa has a BTech and is a classical dancer, and has been of great support. He has two daughters – seven-year-old Dyuthi and three-year-old Dhatri. His father and role model, Kameswara Rao, is a practising Chartered Accountant. His mother, Saraswathi, he says is his motivating force.
